Meet our dedicated duo...

MR. BERKENHEGER

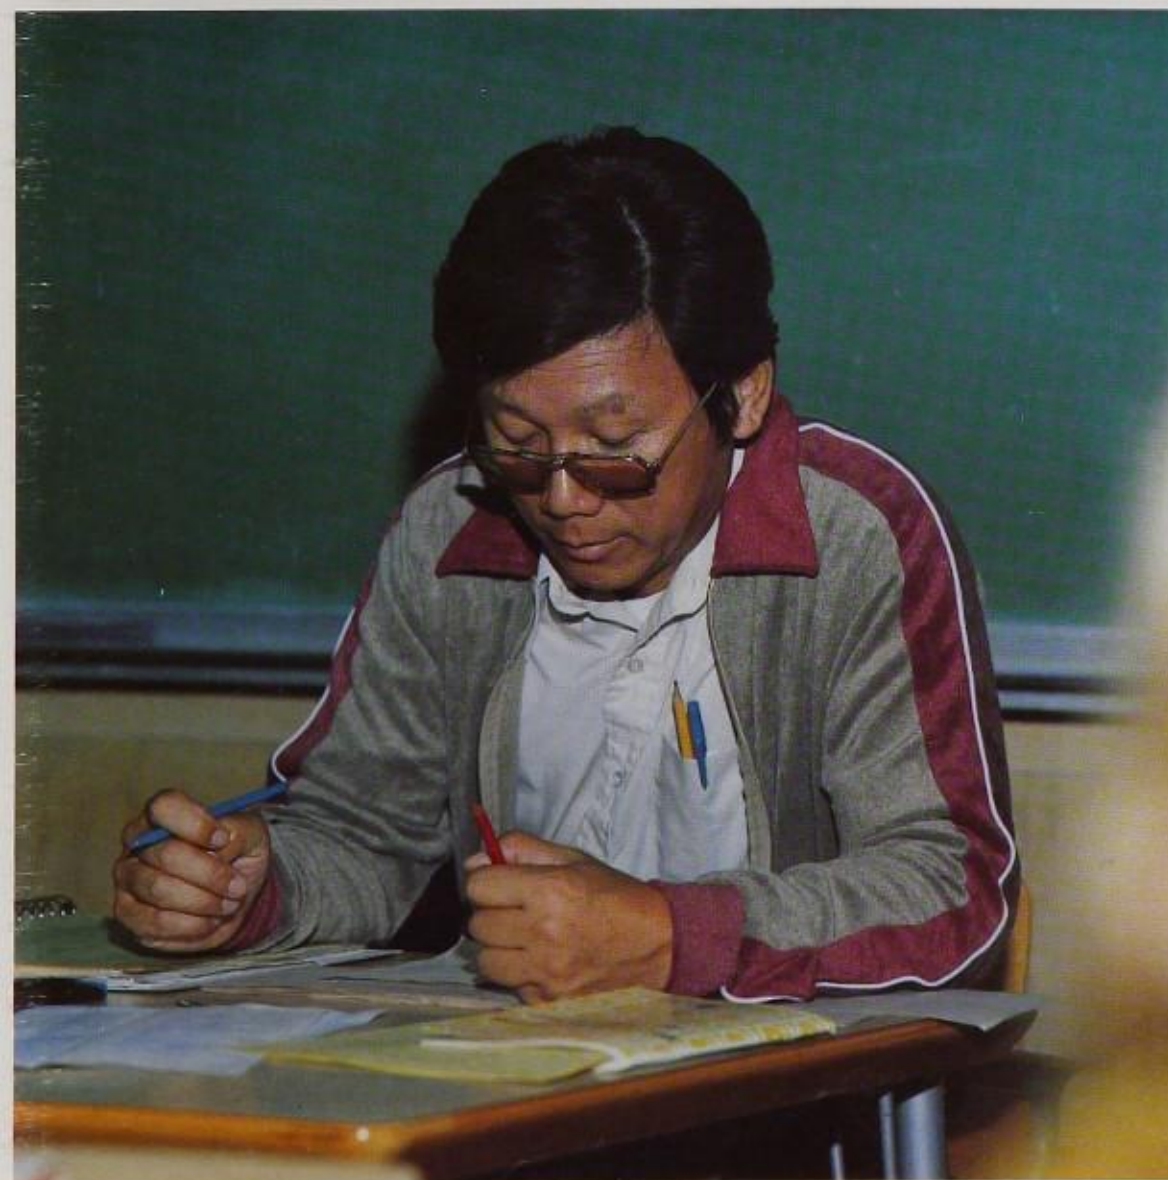

After twenty-four years of teaching at one high school, what teacher has been dedicated enough to stick it through - Mr. Bill Berkenheger, that's who.

He began teaching at the old Covina High School in 1954 and became part of the original staff who laid the foundation of our great "Land of Sparta."

This active Spartan enjoys boating with his wife of twenty-nine years and their three children, Bill, Jr. 22; Jill, 20; and Bob 17. When he is not puttering around in his garden or working on his cars at his Covina home, you may find him all dressed up in a funny striped suit, gesturing wildly. In other words, he, along with Mr. Woo, referees many of the local sporting events.

Although Mr. Berkenheger is well remembered as a P.E. teacher and coach, having led the WCHS Varsity Baseball team to a league championship, most students recognize him as the guy in the car with the sign on the side that means -- "Driver, Move Over" or "Pedestrian, Beware." Yes, he is one of the Driver Education teachers who puts his life on the line each day as he strives to make our streets a little safer.

For his long years of service to WCHS we proudly dedicate the 1980 LYCURGEAN to Mr. Bill Berkenheger.

MR. WOO

Many WCHS students have benefited from the guidance and dedication of our outstanding head of the Business Education Department, Mr. Charles Woo.

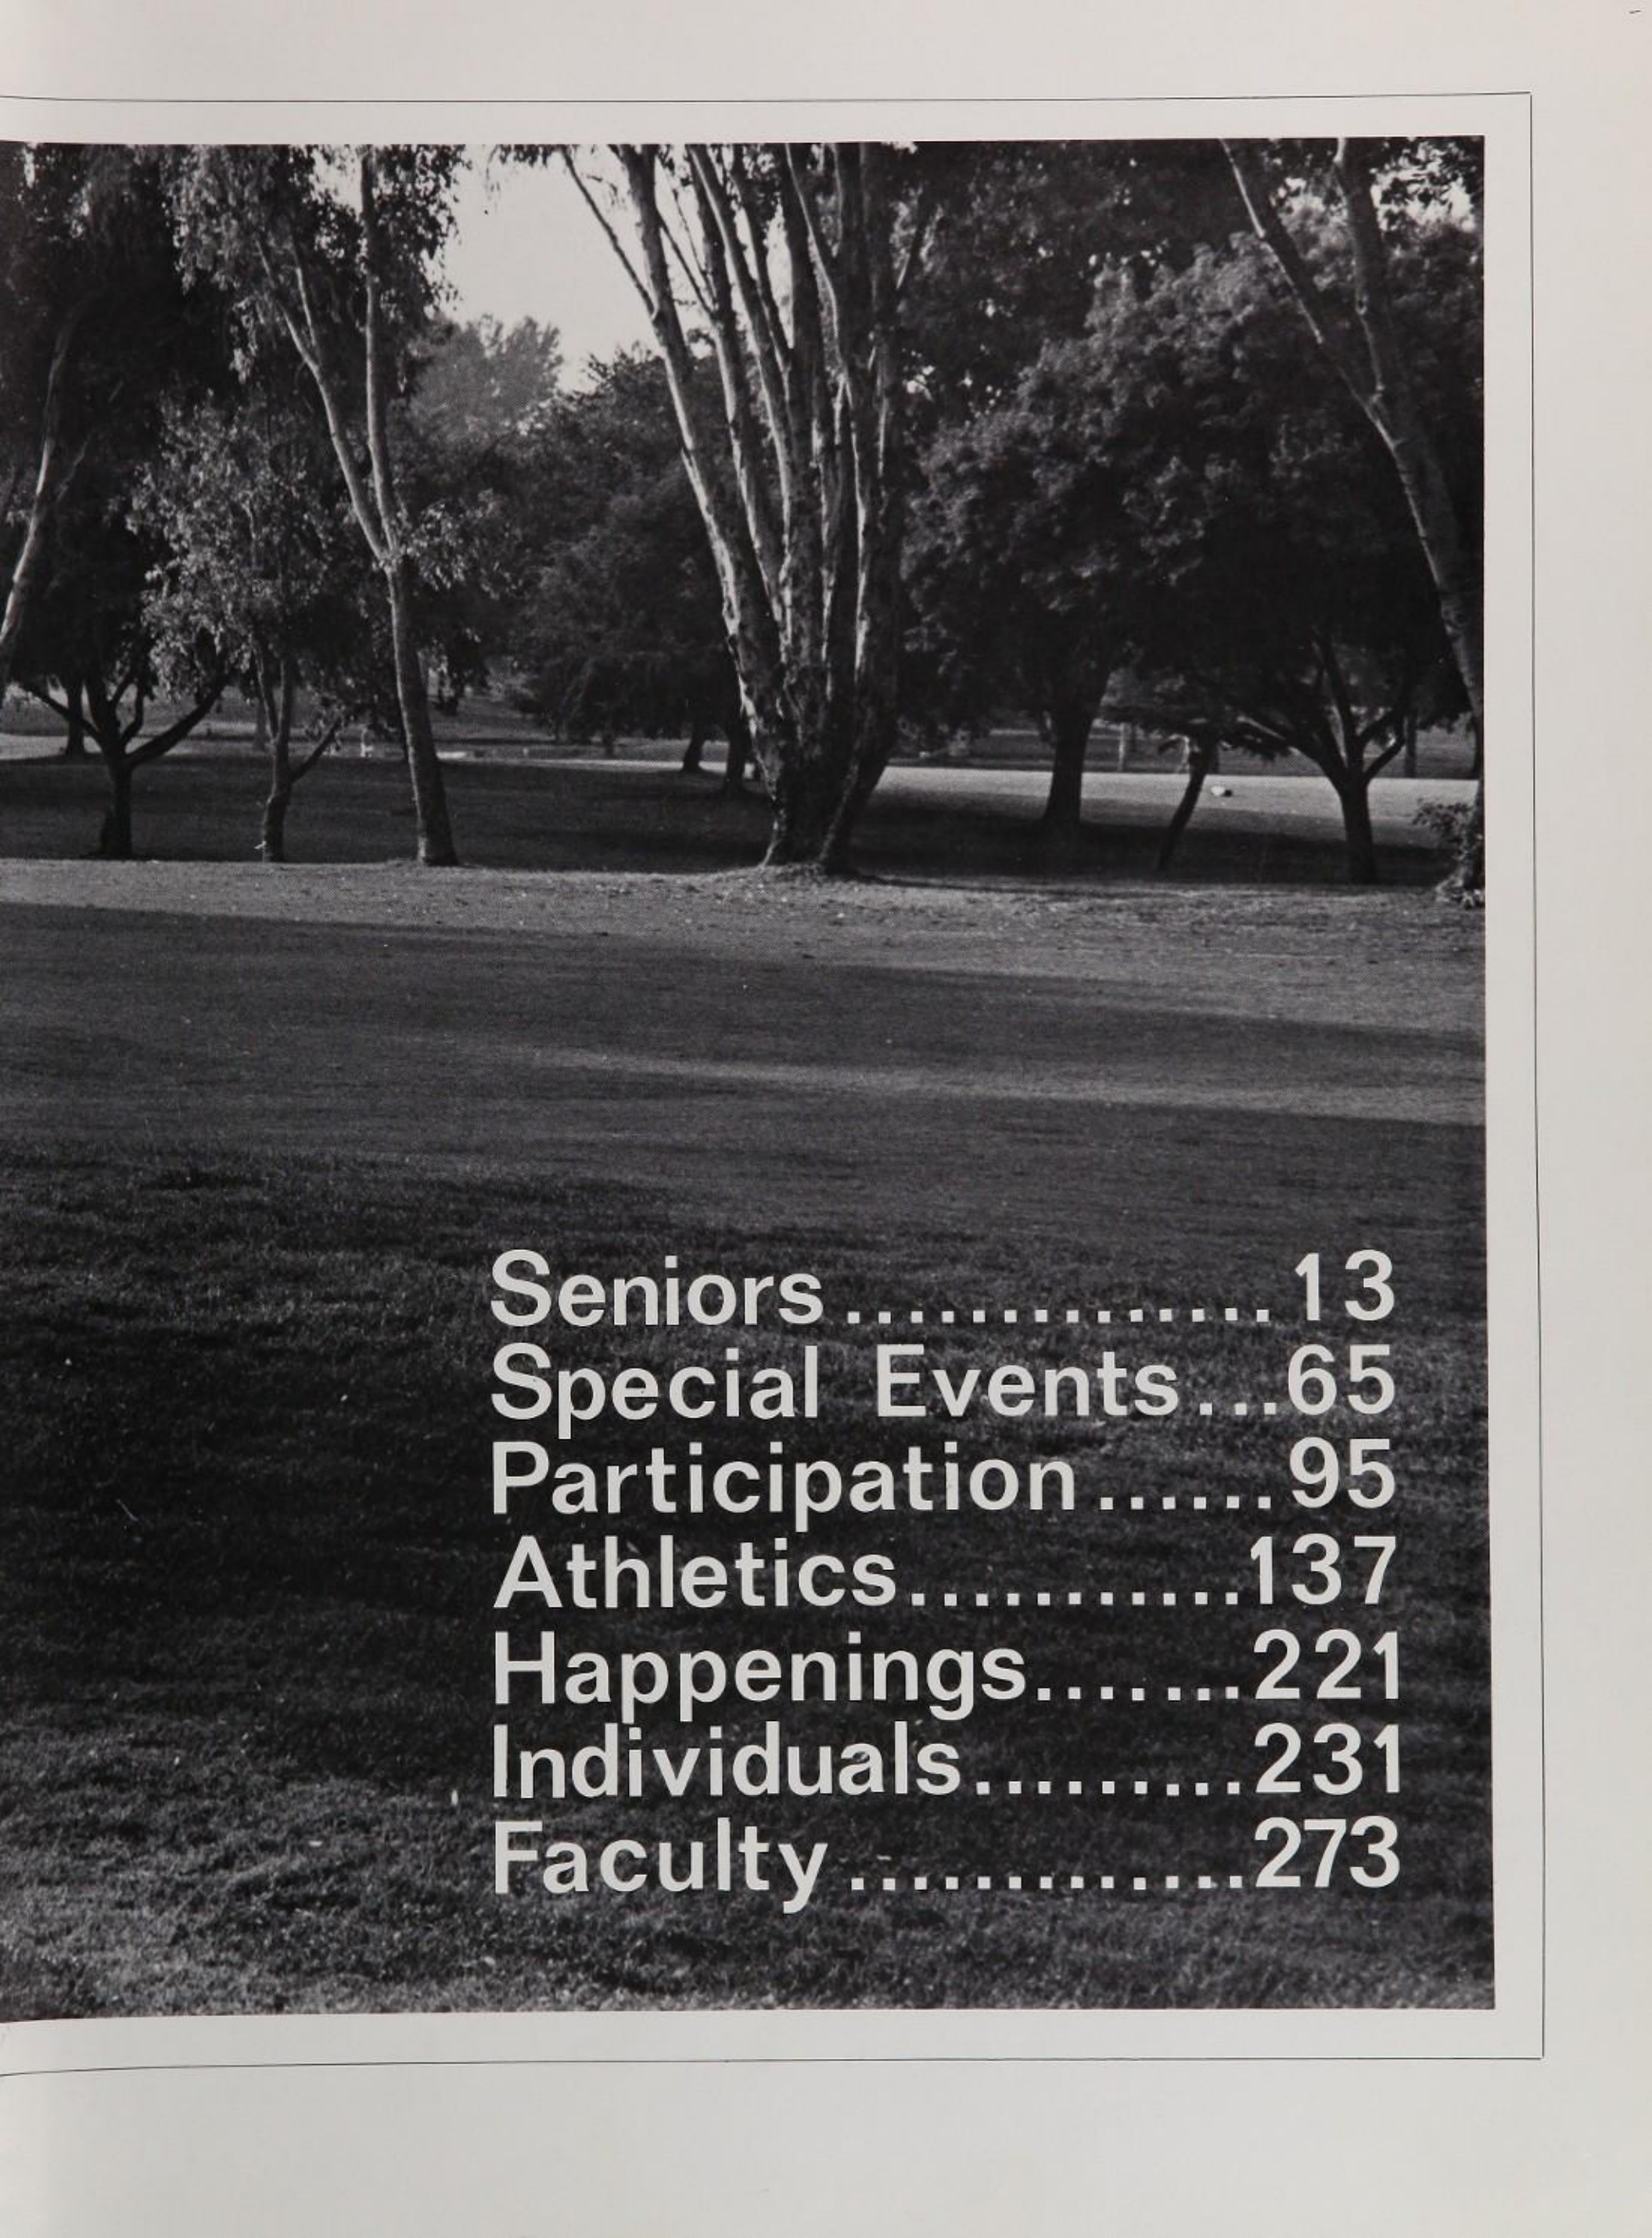

He attended high school in Los Angeles and graduated from UCLA with a B.S. in Business. His first teaching assignment began here on the Spartan campus, and here is where Mr. Woo hopes to remain until retirement.

Many young people of the San Gabriel Valley have greatly profited from the care, concern, and many hours of hard work that Mr. Woo has devoted to the Chinese Cultural Association. He teaches Chinese-descended children the art of making and carrying the Chinese dragon for parades. His group has performed in the Eastwest Shrine game half-time show, the opening ceremony of the Dodgers 1978 season, and the New Years' Chinese festival in Chinatown, San Francisco.

When he isn't leading dragons or listening to fans "cheer" or "boo" his official decision, Mr. Woo may be found enjoying a quiet evening at home listening to the music of the 40's and 50's.

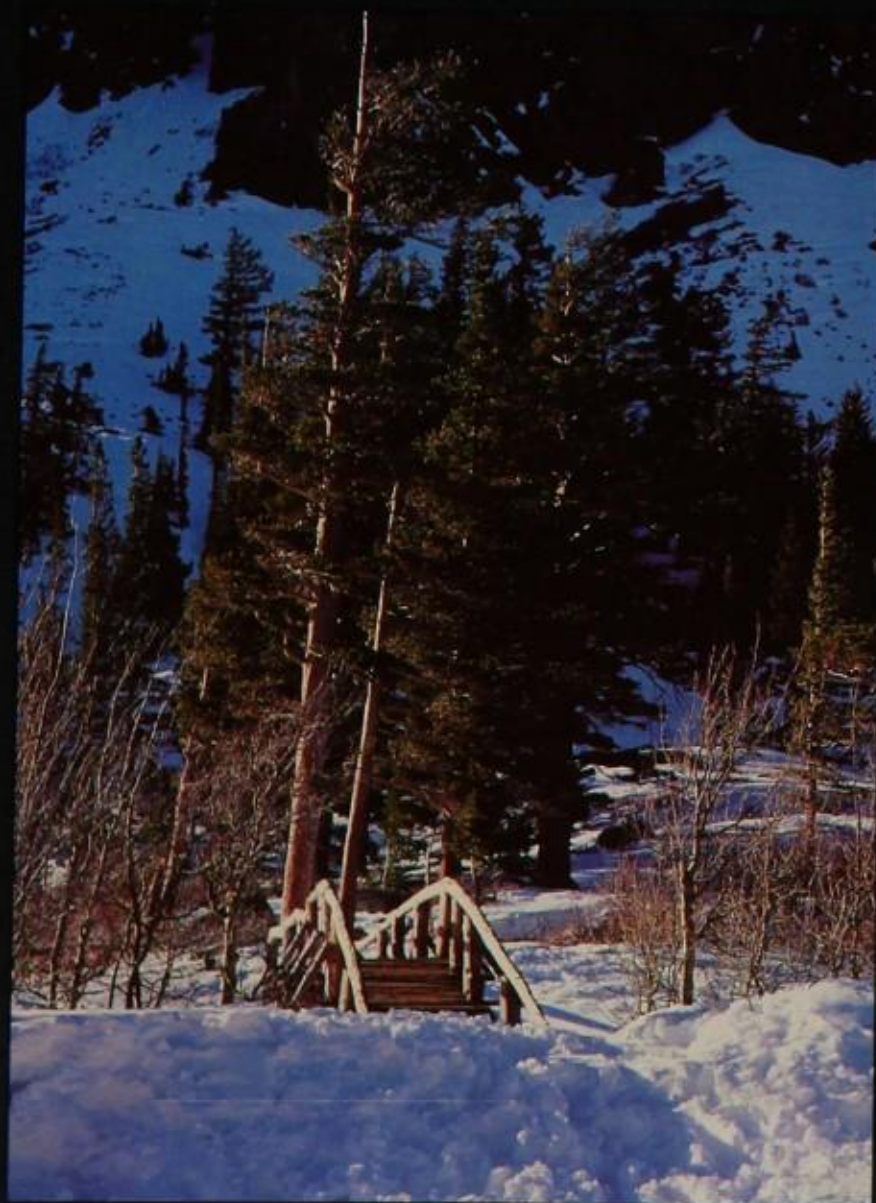

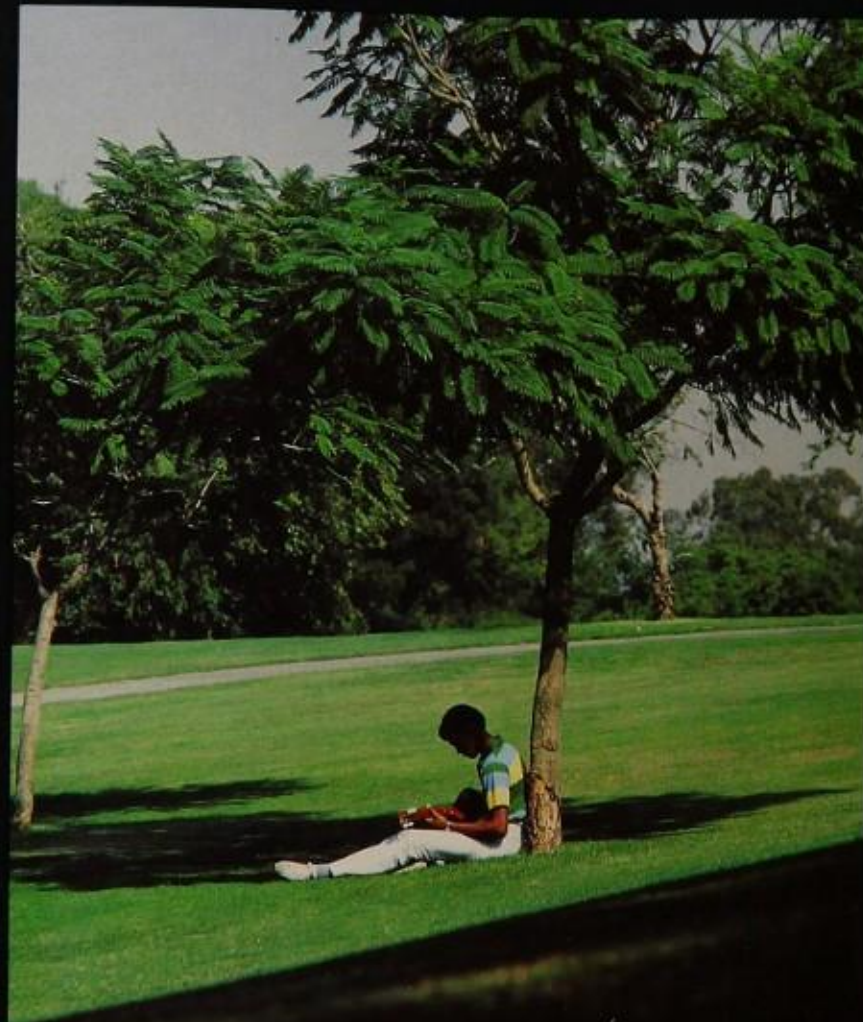

For his many hours of devoted service to the students of WCHS and his contribution to our community, we proudly dedicate the 1980 LYCURGEAN to Mr. Charles Woo.

Is just a wee bit different
There's no two alike, you know.
From something small,
like grains of sand,
To that gigantic star,
All were made with this in mind:
To be just what they are.
How foolish, then, to imitate,
How useless to pretend,
Since each of us comes from a mind
Whose ideas never end.
There'll only be just ONE of ME
To show what I can do,
And you should, likewise,
Feel quite proud
There's only ONE of YOU

TAKING CARE OF BUSINESS

These two friendly faces belong to special people around campus, ASB President Darin Boles and Vice-President Alice Marin. Even with their busy schedules and numerous activities, you can always be assured of a smile and a friendly hello.

Both Darin and Alice entered office with leadership experience. Alice served as secretary during her freshman year and was elected Vice-President of her sophomore and junior classes. Darin, on the other hand, began his freshman year as class Vice-President, was chosen as a legislator in his sophomore year and was elected President of the junior class.

Boys and Girls State was honored by the presence of Mr. Boles and Miss Marin. There, good leadership training was learned and both agreed it was a good experience.

Darin has served the school in many different ways and is presently involved in SPARTAN SHIELD, Key Club, Bible Club, Interclub Council, Quill and Scroll, Class Council, and CSF. He is also fourth Vice-President of PTSA. In addition Darin enjoys playing on the basketball team.

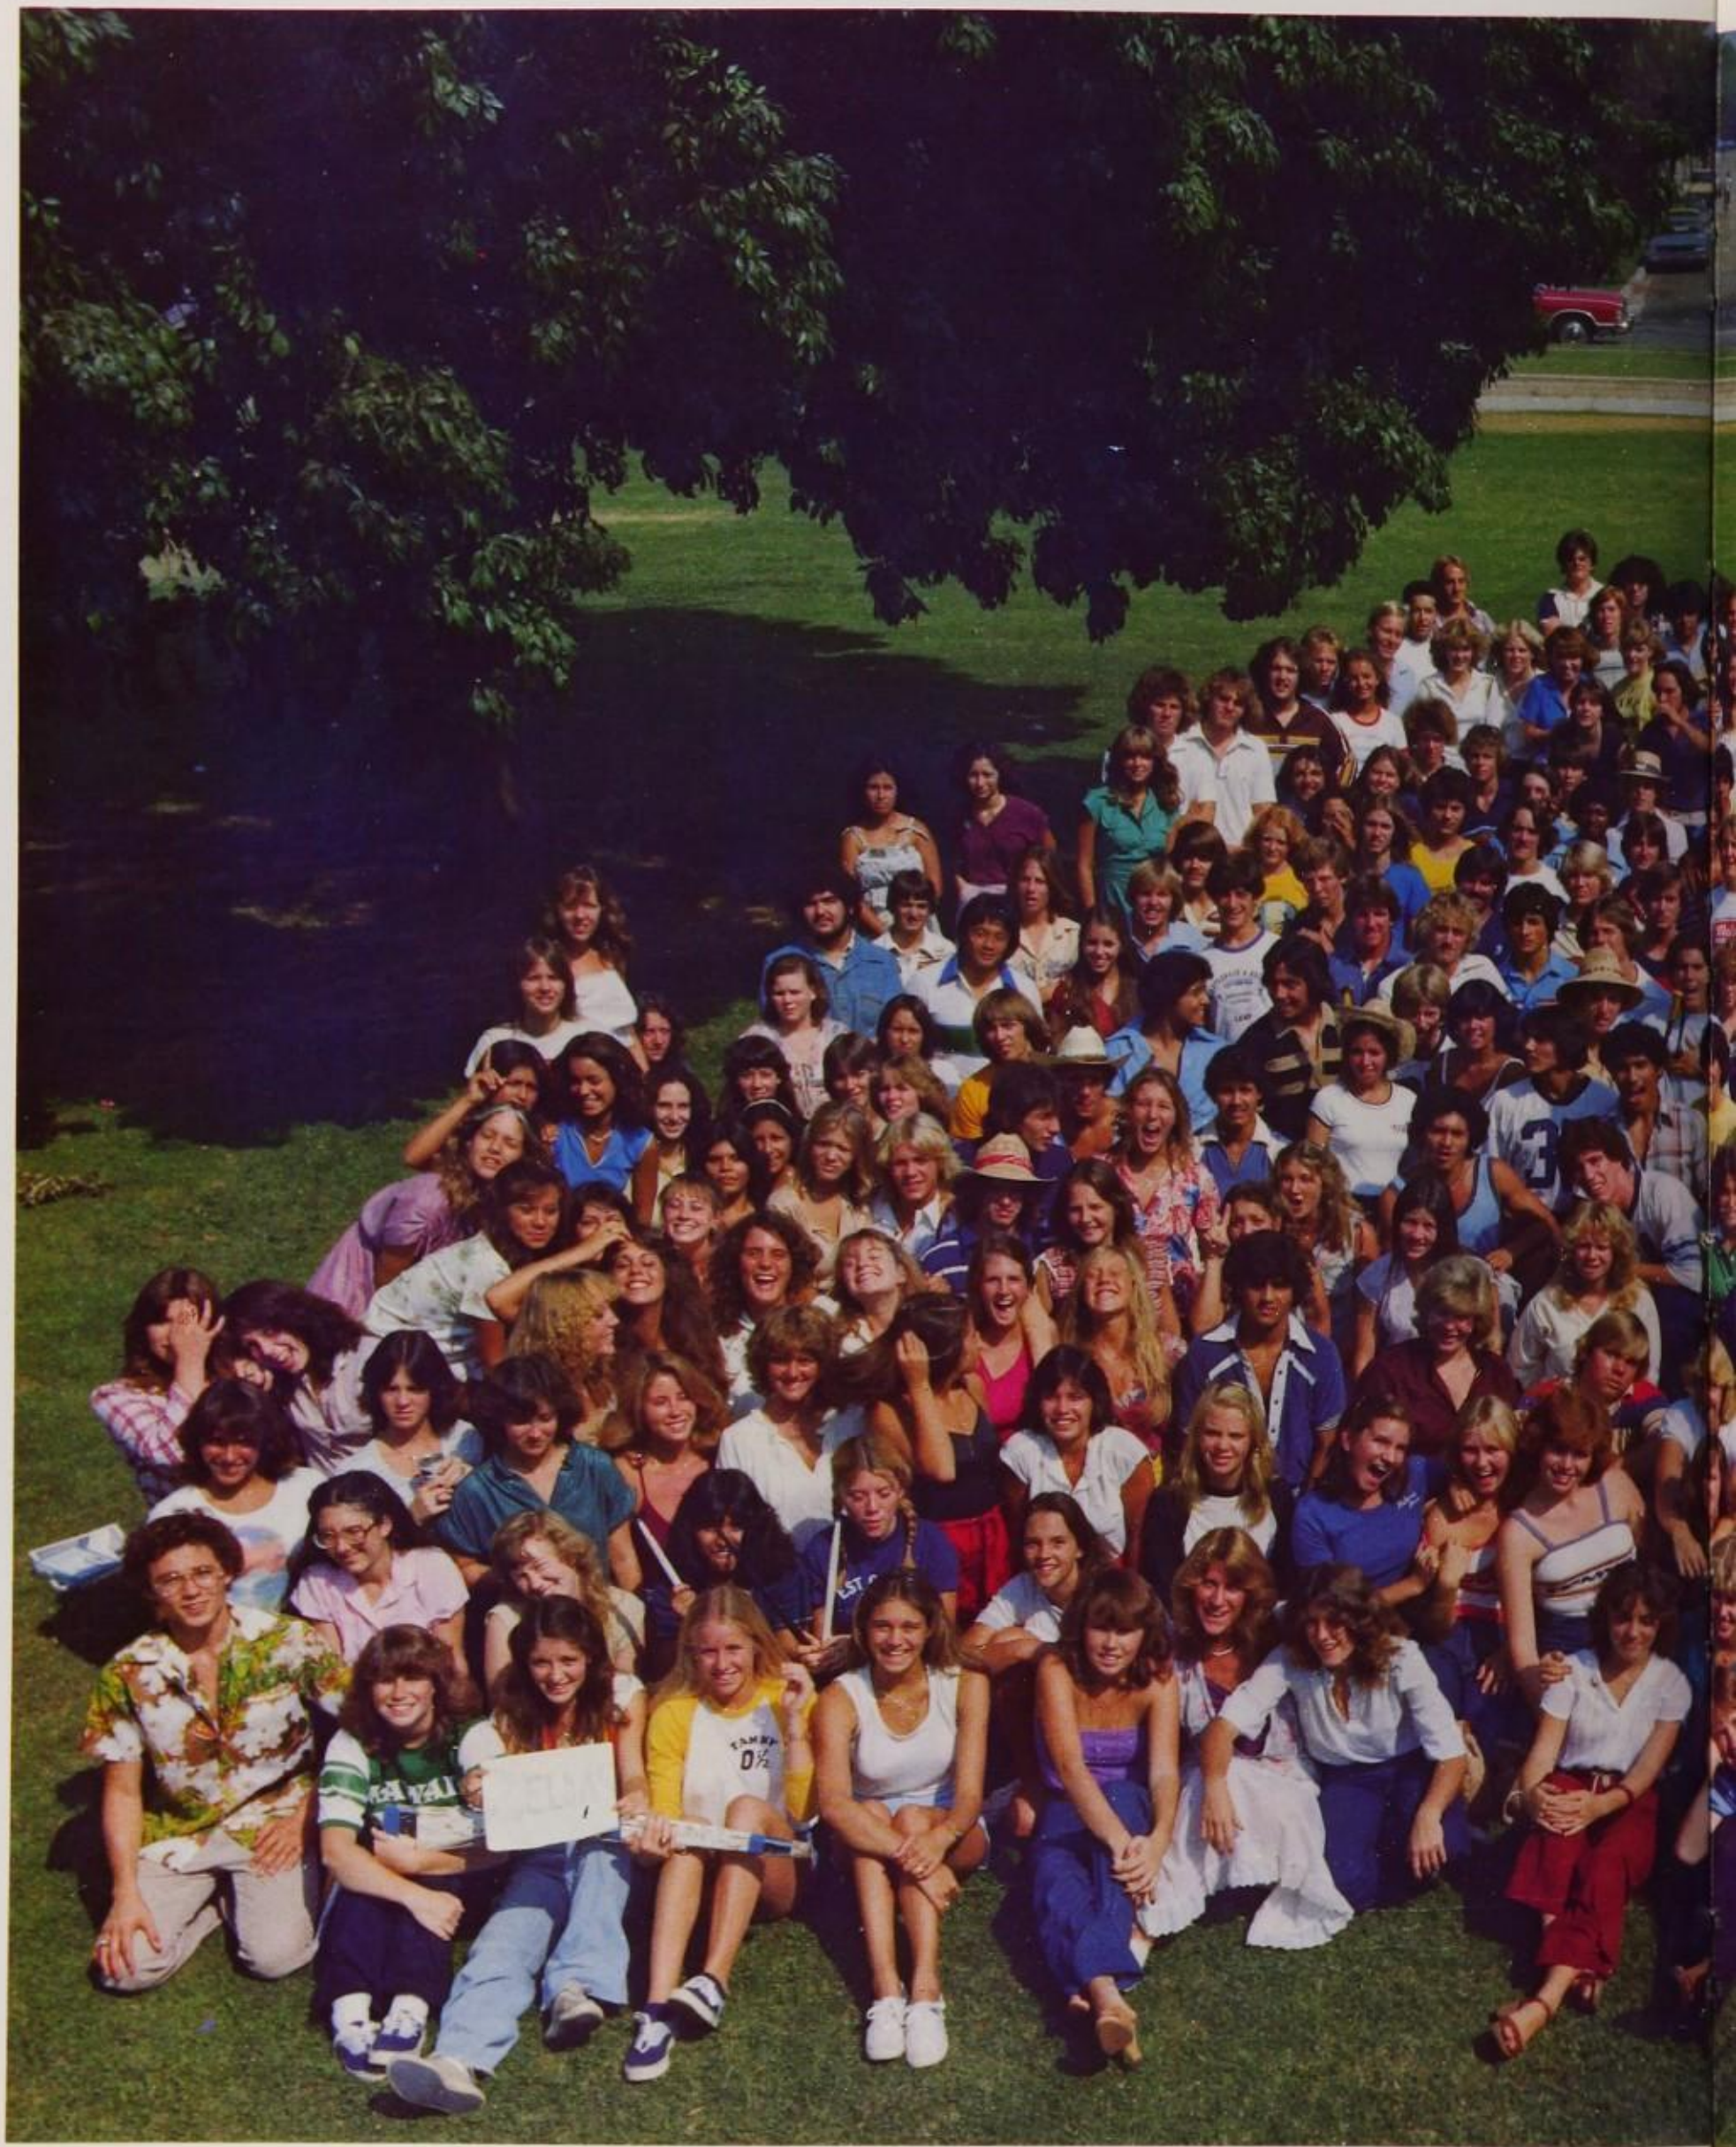

Alice, an enthusiastic supporter of WC, is actively involved in Pep Club, CSF and Class Council. In her spare time she also enjoys playing sports and has been on the volleyball and softball teams.

What does WC have that no other school has? According to Alice and Darin, it's the fantastic and friendly people that make WC so special.

What else does WC have that no other school has? According to the student body, no other school has two people as special and deserving as Alice Marin and Darin Boles.

HAPPENINGS

The annual Big and Little Sister Day, held on September 6, was sponsored by Fidelitas. This active service club decorated the gym to the theme of "That's what friends are for." Each big sister was required to make a name-tag for her little sister, which was then entered in a contest for creativity and originality. The winning tag, a beautifully hand-decorated carnation was returned to Carey Mitchell along with a vase of red roses. The incoming freshmen girls were welcomed to the campus and introduced to the variety of extracurricular activities offered at WCHS. Entertainment was provided by the Pep and Percussion squads while the presidents of the various groups outlined their programs. The day was climaxed as the experienced big sisters showed the newly orientated freshmen a good time out on the town. Each girl went home knowing she had new friends who would help make the school year a pleasant one.

Big and sisters

There's no better way to say Hello

On September 21, 1979, the Junior Class sponsored the first dance of the year - the Hello Hop. The dance is a tradition in which WCHS students meet new people and reacquaint themselves with old friends. Also, the presentation of four girls and guys for each class as the friendliest people is announced at the dance. The freshmen selected these people on the basis of friendliness and helpfulness. This year, the chosen few were Carolyn Sandoval and Chris Castillo for the freshmen; sophomores Vicki Clopton and Phillip Orr; Juniors Maria Castillo and Ross Markowitz; and for the seniors, Marian Wright and Darin Boles.

The dance began at approximately 10:00 with the band "Wave" supplying the beats. Everyone rocked and rolled until 11:30, when the lights came on and ended this evening of fun and good times.

Standing, left to right are Marian Wright, Maria Castillo, Vicki Clopton and Carolyn Sandoval. Sitting, left to right are Darin Boles, Ross Markowitz, Phillip Orr, and Chris Castillo

Homecoming

On October 12, 1979, seven WCHS homecoming princesses waited excitedly for half-time of the WC-Chaffey football game, for at the halftime ceremonies, directed by Secretary of Activities Cathi Winningham, the coronation of their queen would take place. Under the excited cheers of the crowd and bright lights of the field, Dianne Connolly, Michelle Forest, Jennifer Graham, Brenda Maude, Nia Peeples, Karin Plowman and Marian Wright were escorted by their fathers onto the beautifully decorated "Reunited" platform. Finally, as a hush fell over the crowd, ASB President Darin Boles stepped up to the microphone: "The 1979-80 homecoming queen is...Nia Peeples!"

All of the exciting homecoming activities were climaxed by the dance, held on October 13 at the beautiful Buena Park Convention Center Hotel. Throughout the evening, dancing couples enjoyed the sounds of "Crosswinds," while punch and hors d'oeuvres were served to everyone seated. Although the evening was short, it was an evening to be remembered, and hopefully, all who participated will someday be "Reunited."

Models display latest styles

Sassy's provided the fashions for Silhouette's first fashion show of the year. The cafeteria was decorated according to the Homecoming theme "Reunited." While the music of Chicago played, members of the club modeled the latest fashion for the formal dance and the in style fall clothes for school. This was the first Silhouette fashion show in which all the girls were escorted. Renee Sacks and Terri Stratton commentated and Silhouette president Terrie Jeffries stated "It went over really well." Refreshments were provided free. Participating in the fashion show were the following girls. Susan Leach, Cindy Peeples, Maria Castillo, Carla Coffee, Juli Brownwood, Patrice Godinez, Cindy Shirey, Denise Ristic, Dianne Connolly, Vicki Clopton, Diana Wilson, and Jodi Olenik.

Clockwise: For that fantastic winter look Sue Leach has chosen a woolen plaid skirt with a corresponding blouse and jacket. Modeling a coordinated woolen outfit Vicki Clopton, escorted by Chuck Boles, displays the popular casual look. With the Oriental style being in fashion this year, Cindy Peeples has chosen a feminine kimono dress. Ready for the high school Homecoming is Jodi Olenik, wearing a full-length pleated formal. Juli Brownwood brings back the attitude of the 40's with a knee-length tight fitting "midi" and a sailor top.

Juniors win Spirit Week

Spirit Week, WC's biggest spirit-raising event of the year, was held the week of November 5-9. Fidelitas, a service club on campus, sponsored this event to get Spartan Spirit "sky high" for the Los Altos football game. During the week, in after school competitions, points were given the classes.

"Spartans are the Big Top" read the huge black and neon-colored sign in front of the gym on the first day of Spirit Week.

The jello slop and mummy wrap were the events for Monday with the seniors ending up in front, followed by the freshmen, sophomores, and juniors.

The sophomores decorated campus on Tuesday according to their theme "Gum." After school, the Centepede and Water Bottle Races were held with the Class of '80 racking up the most points, followed by the Class of '81, and Classes of '82 and '83 tying for third.

On Wednesday morning, WC was transformed into a "Land of Candy" by the juniors. That afternoon's events were the shoelace race and the water balloon toss. Tying for first place in the days events were the juniors and seniors, followed by the freshmen and sophomores tying for second.

Thursday, due to rainy weather, the seniors had to postpone their Muppet Day until Friday. Their decorations included Miss Piggy tree hangings, and a huge Fozzy Bear ground sign. After school activities on Thursday were the VW Balloon Stuff and VW decoration. Grabbing the days events were the juniors, sophomores, seniors, and freshmen, respectively.

The cheerleading competition at Friday's rally went to the junior mints, followed by the sophomore gumballs, the senior Muppet cheerleaders, and the freshmen clowns, in that order.

The winning campus decoration went to the Class of '81, followed by the Classes of '80, '82, and '83, respectively.

The overall winner of the weeks competition was the Class of '81 with 48 points, followed by the seniors with 40, freshmen with 29, and sophomores with 23.

Drama Department planted "The Bad Seed"

"The Bad Seed", the Drama Department's first play of the season, was presented November 28, 29, 30 and December 1 in their Little Theater, N-1. "The Bad Seed", by Maxwell Anderson, is a mystery chiller, filled with murder, suspense and surprise. It is the story of eight year old, cold-blooded murderess, Rhoda Penmark, who defies most of the adults around her with her sugar sweetness, and is also about the events that build up to a shocking ending.

The character Rhoda was doubly cast to Carol Ostman and Debbie Ristic. Renee Sacks and Ken Clench portrayed her adoring, ideal parents, the Penmarks. Upstairs, in the Penmark's apartment house, Stacy Williams played Monica Breedlove, a very brooding neighbor, while Steve Boggs acted as Monica's brother, Emory. Barbara DelRio was cast

as a drunken ex-mother, with Darin Vaughn as her embarrassed husband. Thadeus Hubbell portrayed the comical janitor, Leroy, on to Rhoda's tricks. Gerene Strauss starred as the headmistress of a prim private school, while David Washburn portrayed Reginald Tasker, an egotist mystery writer. Rounding out the cast was Joe Rivero, as Mrs. Penmark's sweet, sensitive father.

Mrs. Costales directed the production, and Carrie Rockehauser was in charge of all stage management, while Joe Boles assisted her. The Drama Club (and Department) took care of all technicalities--lighting, sound, publicities and props. All in all, the play was a great success and is up for an award in the 9th annual Southern California High School Theatre Festival.

And the beat goes on...

This year West Covina had two fine musical performing groups -- the West Covina High School Marching Band, under the direction of John Barnhart, and the singing and dancing Chamber Singers, under the direction of Kevin Lambert. Each group performed in and out of school providing many hours of entertainment. Often they entered competitions and brought home many awards, trophies, and a lot of prestige and pride to WCHS. Both groups, in their busy schedules, had time to sponsor their own regional competitions -- "The Show" at Citrus College for the Chamber Singers, and the West Covina High School Tournament Halftime Show at Thyberg Field for the Band.

Both groups are hard working and well deserving of praise.

Look deep into my eyes . . .

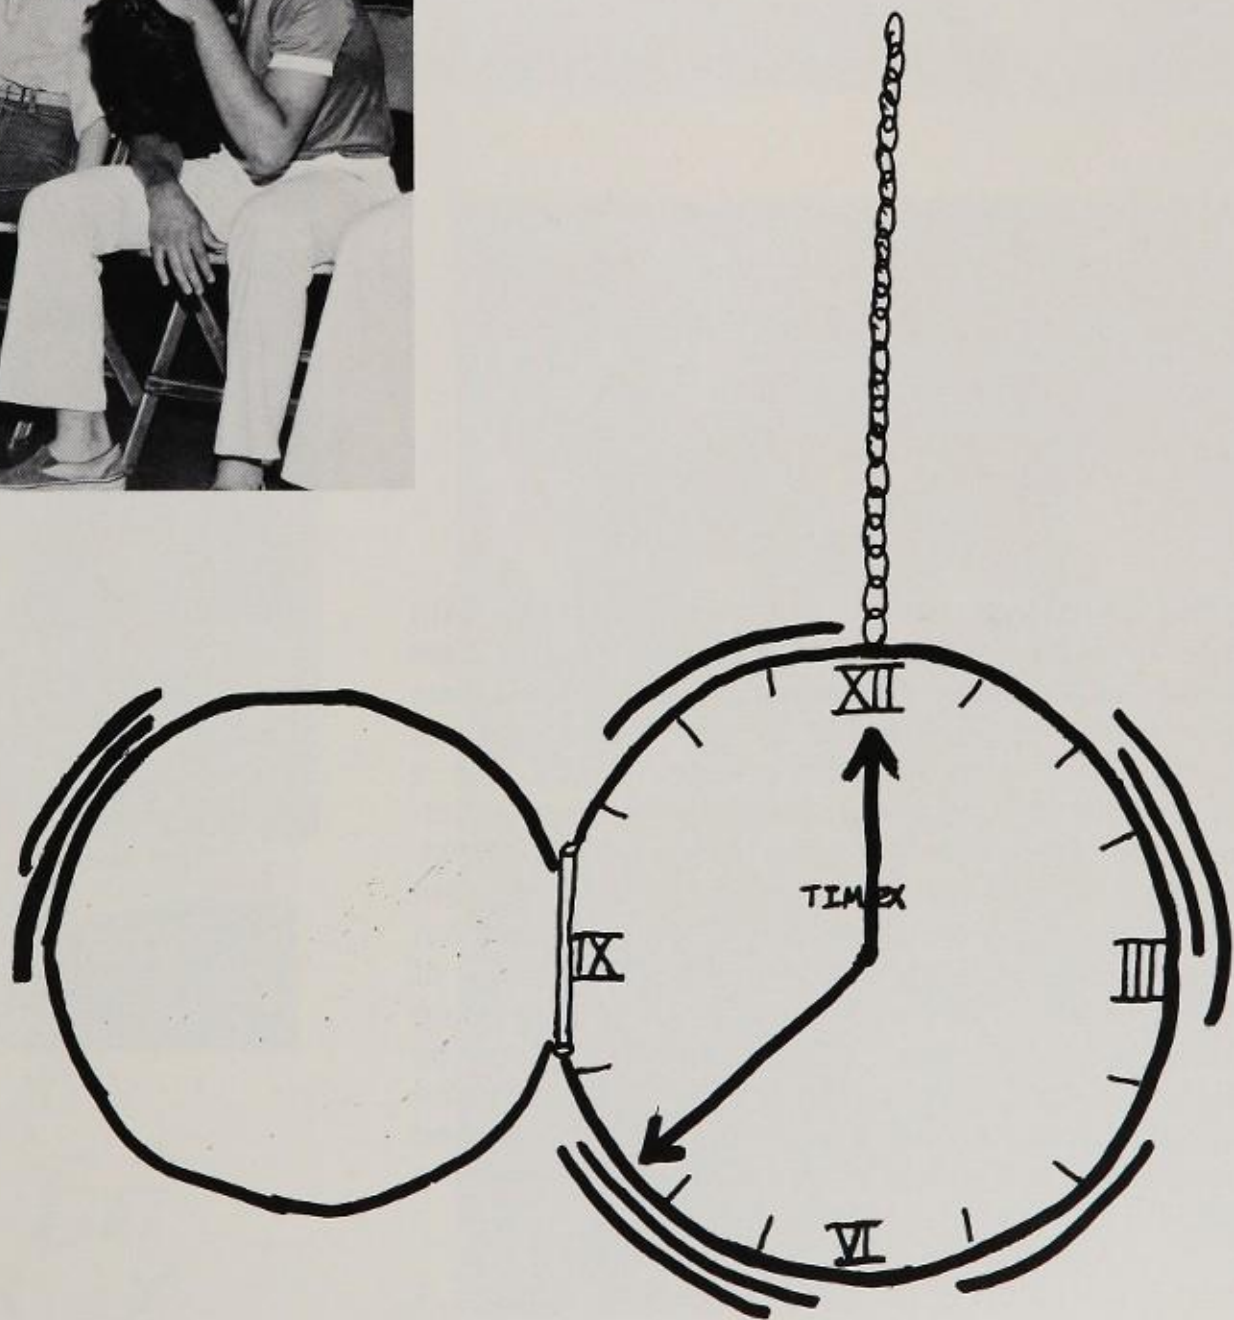

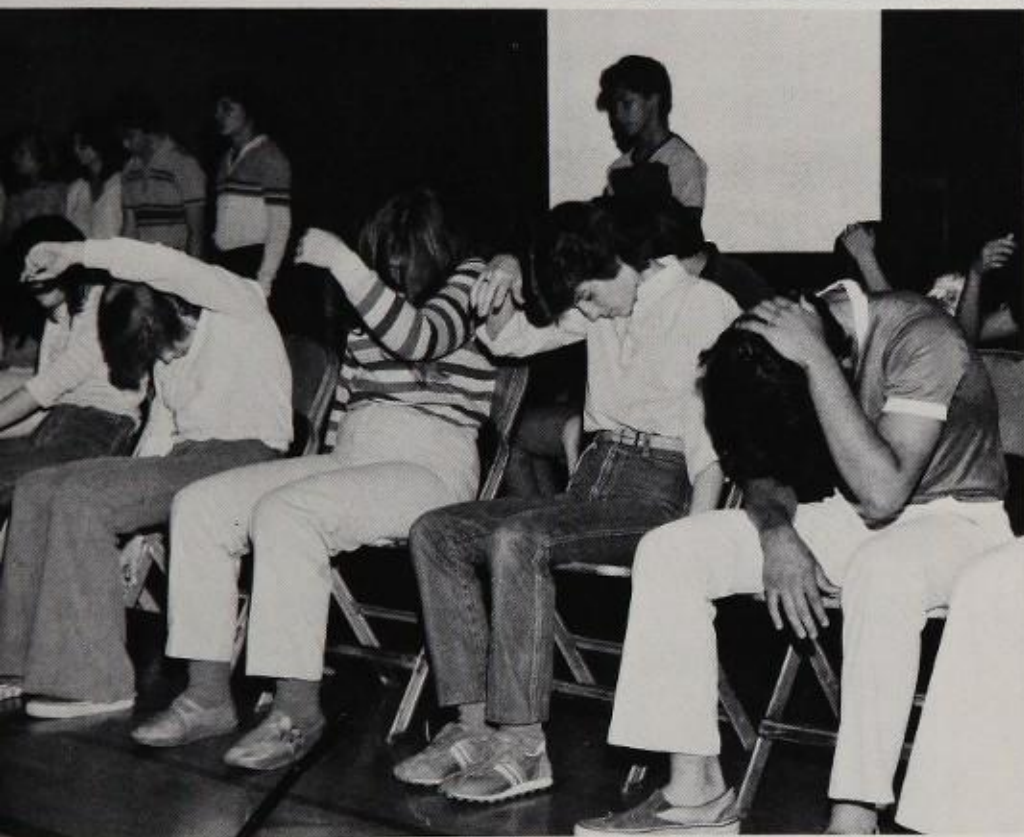

The semi-annual hypnotist show featuring "Genco" was held in the gym on Wednesday, February 27. Genco's program included an introduction to hypnotism by film strips, and later an audience participation show.

The opening film described what hypnosis is and how it works. It also explained how self hypnosis is beneficial for many situations.

Genco demonstrated his specific methods of encouraging audience participation by requesting everyone to stretch out their arms and close their eyes. He then asked everyone to imagine several different situations and watched the various responses.

The conclusion to his program consisted of several volunteer audience participants who were hypnotised and given suggestions to imagine odd things.

CHRISTMAS DANCE

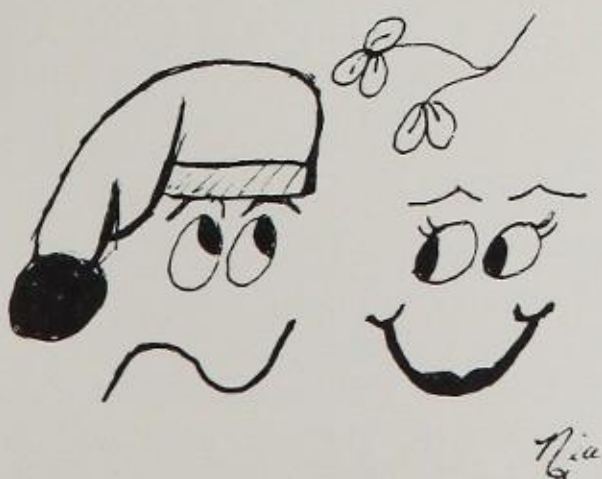

The Christmas dance, held on December 14th from 8-11:30 in the gym, was one of the best dances of the year. The warmth of the Christmas spirit was well represented by the decorations set up by the Jr and Sr class officers. There was a living room complete with fireplace, TV and Christmas tree. Opposite the living room was a Christmas cafe with seating for 50 and food for 300. But the evening wouldn't have been complete without the annual mistletoe and stocking sale, and of course, without Santa Boles. With all of that going on, who would have thought anyone would be listening to the band?... but they were. In fact, the majority of the crowd was being well entertained by "Amber." All in all, it was a wonderful evening that will be easy to recall.

Valentine's Ball memories linger ... still

On the night of February 9th, a very festive crowd of Spartans attended the 1980 Valentine Ball at the Pasadena Hilton.

At 10 p.m. the highlight of the evening came when Bob Esqueda and Debbie Quasny were crowned the new reigning royalty. The 1979 Valentine King Rick Bryant and Queen Linda Morgan Salyers crowned the new king and queen. Following the coronation process, the court danced to Odyssey III's rendition of "Color My World." Then the rest of the packed house joined the court.

"Comrade" Randy Demke performed the traditional Valentine Ball marriage ceremonies throughout the evening. The Grosvenor Room supplied a delightful atmosphere with dim lighted chandeliers and elegant carnation filled vases. Chips and dips, heart shaped cookies, and a Coke/7-Up bar provided refreshments. Parents of many of the court and four faculty members served as chaperones.

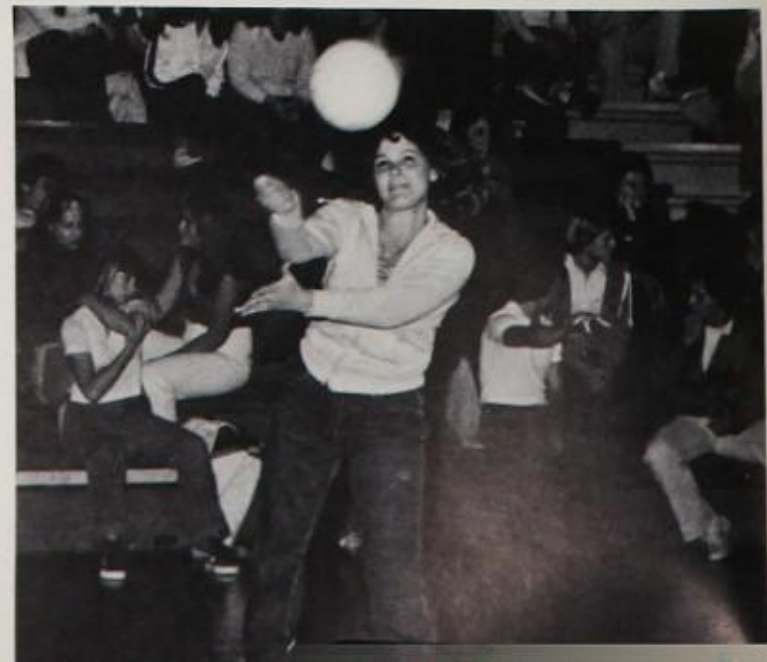

After the announcement ceremonies, Odyssey III continued the sounds of the fifties, sixties, seventies, and eighties. In the future when the 145 couples look back on the night, they'll cherish the memories forever and will be able to say to their past date, "I do love you...still."

Junior Senior D A Y

At 2:15 on March 7, the Jrs and Srs had it out; it was Jr/ Sr Day. They'd been waiting three years for this day and when it finally came, so did all the competition.

The day began with a Centepede Race and softball game, won by the Jrs. It was followed by a water balloon race, won by the Srs. Unfortunately, the annual tug-of-war was canceled due to a misplaced rope. Although the day ended, the competition continued throughout the evening beginning with the traditional Faculty/Varsity Basketball game, of course won by Varsity. Following the BB game were the volleyball and battleball games, both won by Srs.

After all that hard work, Jr/ Sr Day ended in a tie. The evening was topped off by a dance that was DJ'd by Craig Stewart.

Queen Alice and her court - Jamie, Jody

Together, The two of us, Tonight

"Together, the two of us, tonight," will be remembered by many as a perfect ending to a year of fond memories. Those couples who gathered on the Queen Mary on May 17 for the Junior/Senior Prom enjoyed an evening of dancing and music provided by "Sound Society."

Last year's Queen, Lillian Kochis, was present to crown the 1980 Prom Queen, Alice Marin, and to honor her reigning court, Princesses Chris Del Fante, Julie Harstad, Becky Mendoza, Jamie Mohn, Jody Mueller and Cathleen Winningham.

We've got spirit!

Spartan Spirit shone bright and outstanding when the Spartans met under one roof - commonly called rallies. Most Fridays during the fall and often during the winter and spring terms, these rallies took place to encourage the West Covina athletic teams on to victory.

Every rally had the elements of cheers, chants, and dance routines performed by Pep Squad along with different specialty groups doing their thing. Each rally was different in format and theme, but they all wound up with a coach's speech and the WCHS Alma Mater. However, the major element in WC rallies, was the crowd, excited, spirited, and united.

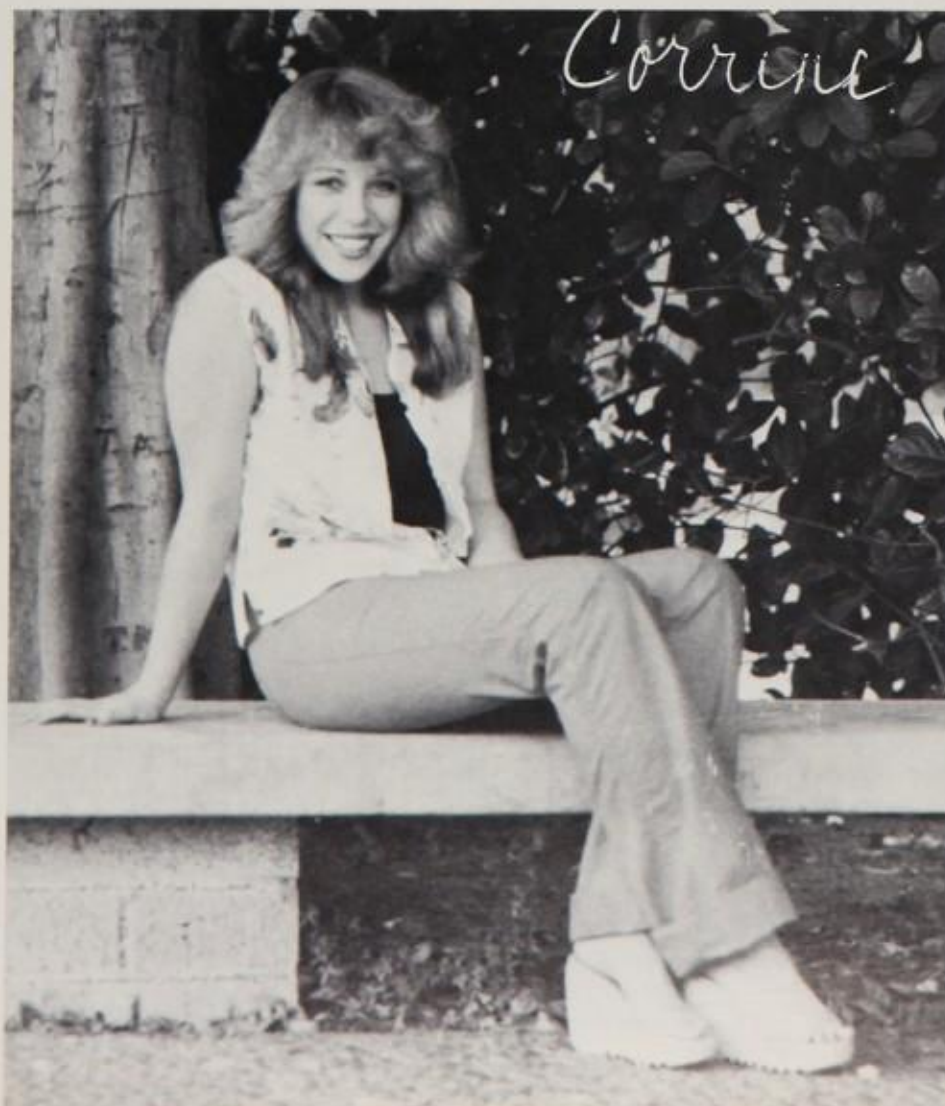

Spartans dress it up right

Every year all of WCHS's female population selects the best dressed and most poised girl of each class. These girls are known as the "Spartan Belles."

At this year's Silhouette's Winter Show Judy Morales,

Dana Loy, Corrine Barrios, and Debbie Huggins were announced as the 1979-'80 Spartan Belles. These girls have dressed in high fashionable, motley-colored clothes throughout the school year.

ASB ASB ASB

ASB, Associated Student Body, is a link between the student body and the administration. Every activity that takes place on the WCHS campus has to be passed through the cabinet. The Associated Student Body has many divisions and they do many services for the school such as keeping the marquee in front of the school up to date, informing the local newspapers of the school's activities, taking care of all the special events and activities during the year, and many other important functions at WCHS. Besides their many duties, they attend several leadership conferences; and, at the end of the year, they go to leadership camp where they share their ideas and thoughts with other schools about how to keep school functions running smoothly.

We said it with pictures

The 1980 Lyke Staff was made up of 23 students from the Sophomore, Junior and Senior classes.

It was quite a "different" class. We had entertainment from the Chamber Singers on staff and trivia from Scott, the trivia expert. Even Julie's dog Bucky kept us company. Along with the fun came fast deadlines.

It was a very memorable year at West Covina and Jamie, our Editor and her assistant Cathi helped us put together a fun yearbook to remember the year by.

The woodwind section of the Spartan marching band, instructed by Ron Cyger, contributed a great deal to the sound and success of the entire unit this year. These dedicated individuals practiced many hard, long hours in order to represent our school at festivals and competitions throughout the year.

The Percussion section many hard hours perfecting its routines, which were then performed at rallies, football games and competitions. The time and dedication required for competitive percussion make it very difficult to take part. But the members felt the work was well worth it. The drum line took first place at Arcadia this year.

JV'S

Boosting school morale this year were the seven cheerleaders and six songleaders of the JV Pep Squad, headed by Elissa Pellizzon and Frances Vernon, respectively. They joined the Varsity girls in all their activities to help make the year a huge success. Before try-outs, the girls were given the option of competing for either JV, Varsity, or both. Selection was based entirely on skill. The JV Squad deserves a well earned cheer from the Student Body.

VARSITY

The Varsity Pep Squad was composed of sixteen spirited girls. Leading the eight cheerleaders was LeeAnn Violet. The eight songleaders were led by Chris DeFante. Helping to boost school spirit, the girls were kept busy selling rally tags and other spirit promoters, painting signs, putting on the Valentine Ball. These girls were chosen for this honor only after facing stiff competition. Both squads were chosen by a panel of judges who looked for creativity, personality, spirit, and skill. The final selection was based upon the judges' final decision (75%) and a popularity vote by the Student Body (25%). WCHS thanks the Varsity Pep Squad for all their help and enthusiasm.

VARSITY COACHES

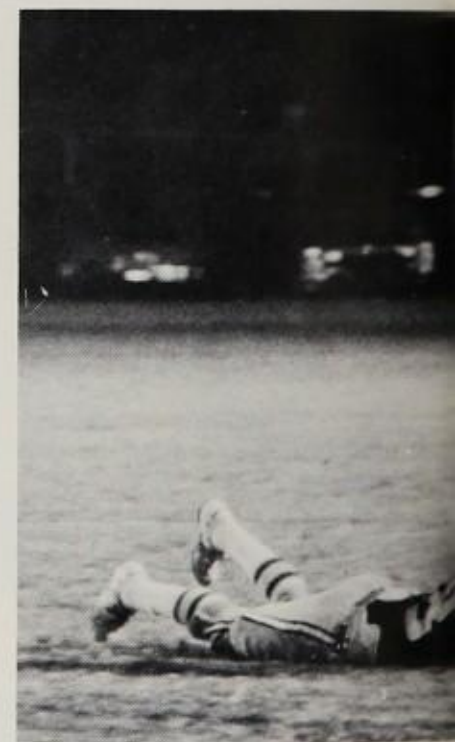

Coach Rick Ammentorp

A great team cannot always be judged by mere wins and losses. It cannot always be judged by physical size. The 1979 Varsity Football team had a 6-3-1 record, but they achieved greatness. They may have been the smallest team on record but may have accomplished the most. They accepted the challenge of the most difficult schedule in the history of the school and drove themselves to within one point of another Sierra League Title.

Who were these Spartans? Tim Klena, in his first year as a quarterback, became the Most Valuable Player in the league. Ron Lane was the premier wide receiver in the valley. Larry Gilmore won All-League honors as both a fullback and a linebacker. Bob Esqueda, Wade Trudeau, Ed Duran and

Head Coach
Tim Brancheau

Coach Mike Okura

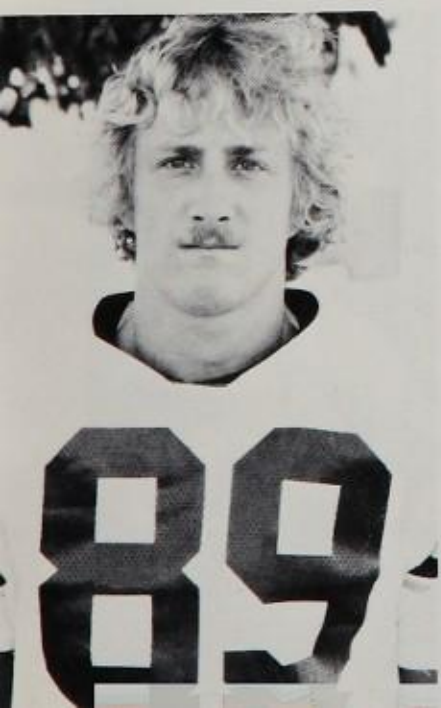

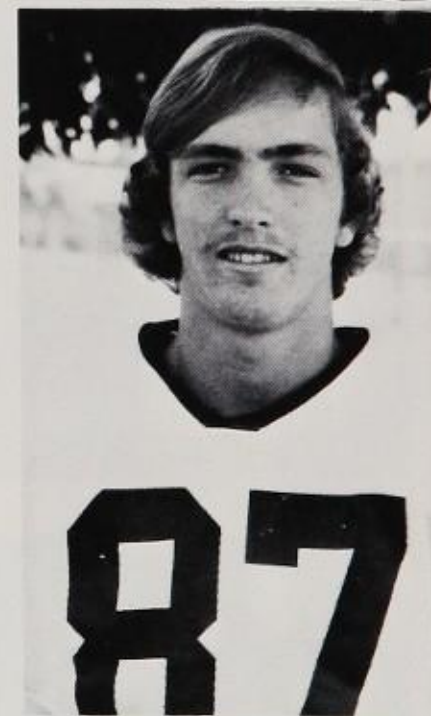

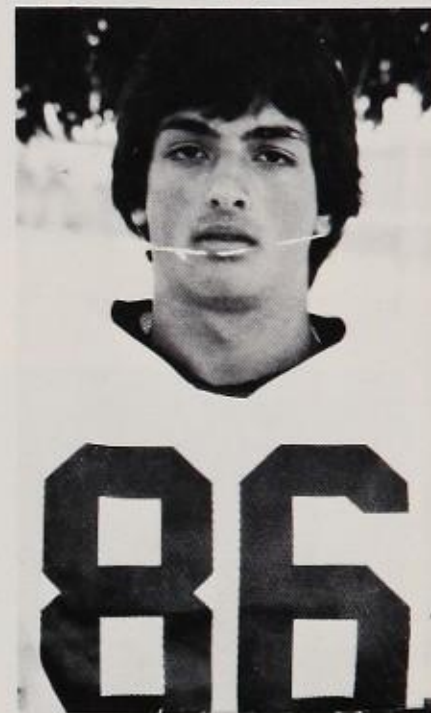

Coach Dan O'Dell

Sam Banales played without fanfare, but may have contributed the most. Probably the best defensive lineman in the CIF was Greg Epps. Then there were the tough "Little" linemen who did so much: Eddie Robusto, K.C. Hollingsworth, Steve Smith, Phil Guhl, Brian Christian, Bob Spellum, Dave Powell and Eddie Lew. There were others, some All Leaguers like Ben Carrillo, some who were not so honored, but still carried on the Spartan tradition: Rob Dunham, David Ashford, Gilbert Vargas, John King, Mike Brintz, Rob Edwards, Garry Gonzalez, Jared Hannah, Steve Hall and thirty more. They all came together to add new dimension to the word, "team" and write another chapter in the history of West Covina High School.

JUNIOR VARSITY FOOTBALL

Keeping up the pride

Although the JV Football team did not participate throughout the season, they played to their fullest ability. It showed when they defeated Los Altos.

A few of the players that showed this ability were Adrian Camara, Jimmy Adams, and Jared Hannah. Along with the entirety of the team, they united and played a good season.

A season to build upon

This year's sophomore football squad enjoyed a winning season. Under the coaching of Jim Mandala, Sev Worthington, and Tim Ammentorp, the Spartans were guided to a 5-3-1 record for the year. The soph team did well in pre-season, but the tough Sierra League teams handed them a few defeats.

MVP Kevin Brumfield led the team both on offense and defense, where the Spartans scored 148 points and allowed 114 points on defense. Other awards on the soph squad included MV Back Adam Vogt, MV Lineman Arnie Behr, and to Mike Tognetti, the Coaches Trophy.

With the experience gathered over the season, the Class of '82 will continue to carry on the Blue Pride.

The first stepping stone

The Freshmen football season was a year of accomplishment and hardships. The young team compiled a 2-7 record on the year, but this cannot describe the season they had. This group of athletes was inexperienced at the start of the season, however they had pride and the willingness to learn.

The offensive team was led by quarterback Chuck Coiner and wide receiver Gary Hines. Defensive standouts were Doug Small and Lloyd Cato. The team's MVP was John Jacobs. Coaches Jeff Platt, Greg Gano, and Mark Booth added their expert advice to improve the Frosh team.

With all the experience the Freshmen gathered in their first year of football, better seasons should be ahead of them.

A winning season

The Varsity Cross Country Team accomplished much on the year. The team compiled a 3-2 record, and also placed well in the tournaments that they competed in, placing first in both the MSAC and Kenny Staub Invitationals. Captain Larry Gonzalez set a new school record of 16:05 on the three mile MSAC course. Larry also placed fourth in the Sierra League finals. Other varsity standouts were Ron Price and Stuart Wall. The other varsity runners also gave it their best to make the varsity a winning team.

VARSITY BASKETBALL

The Varsity Basketball team did much better than expected. Practice began without a definite coach and there were many new players on the team along with two sophomores: Horace Miller and Derek Tennell.

The team began the season playing inconsistently. But as the season progressed the team started playing a much better game. The team's true ability was brought forth when they were victorious over Rowland, Walnut and Edgewood both rounds while they beat Los Altos and

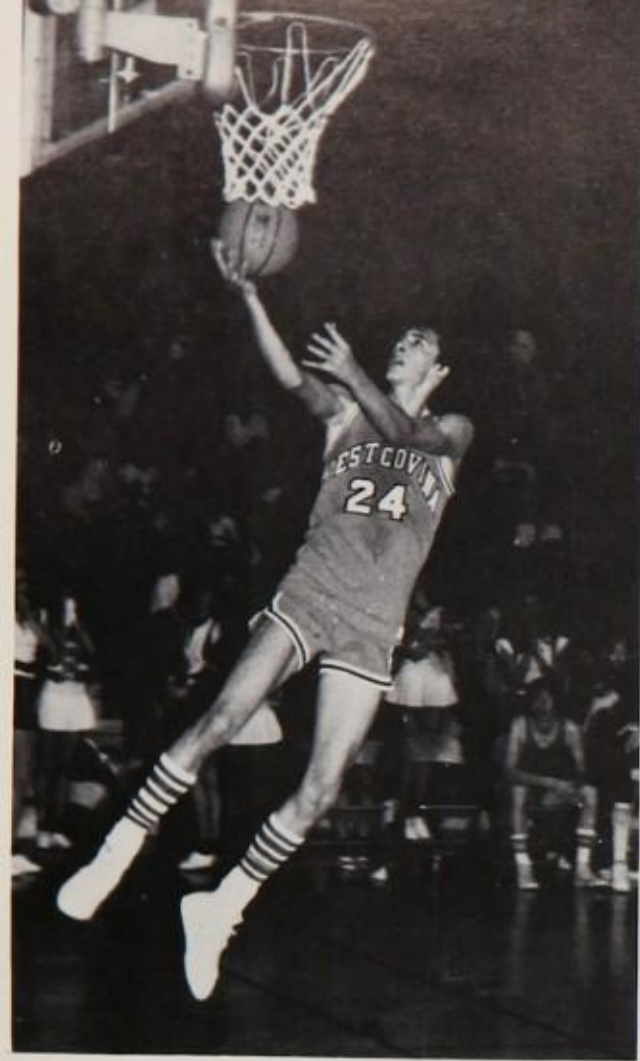

Wilson only in the second round. Defeating Wilson put the team into the running for the Sierra League Championship. They became champions after their final game against Edgewood with a score of 56-45.

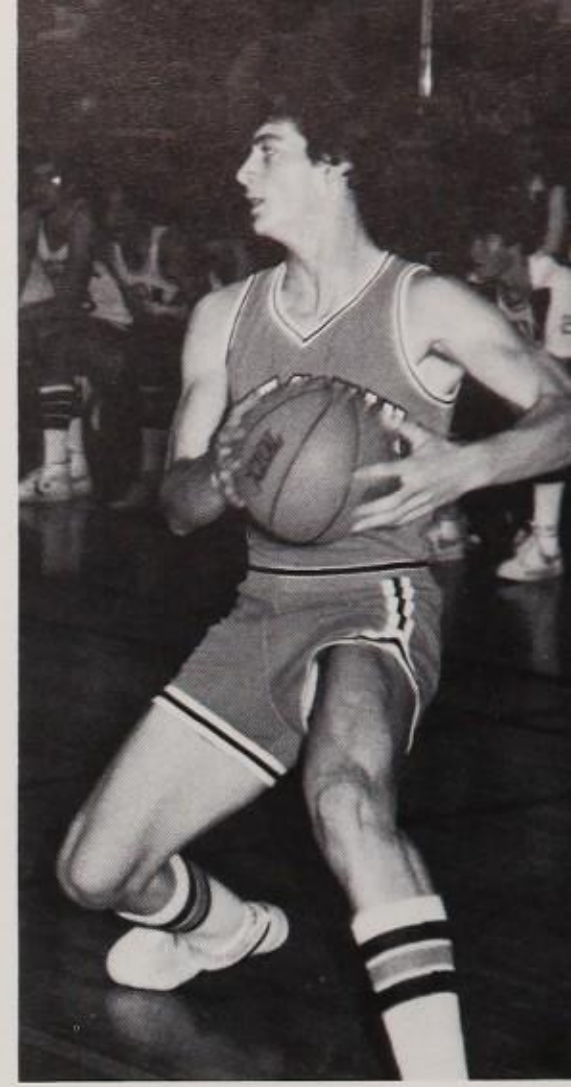

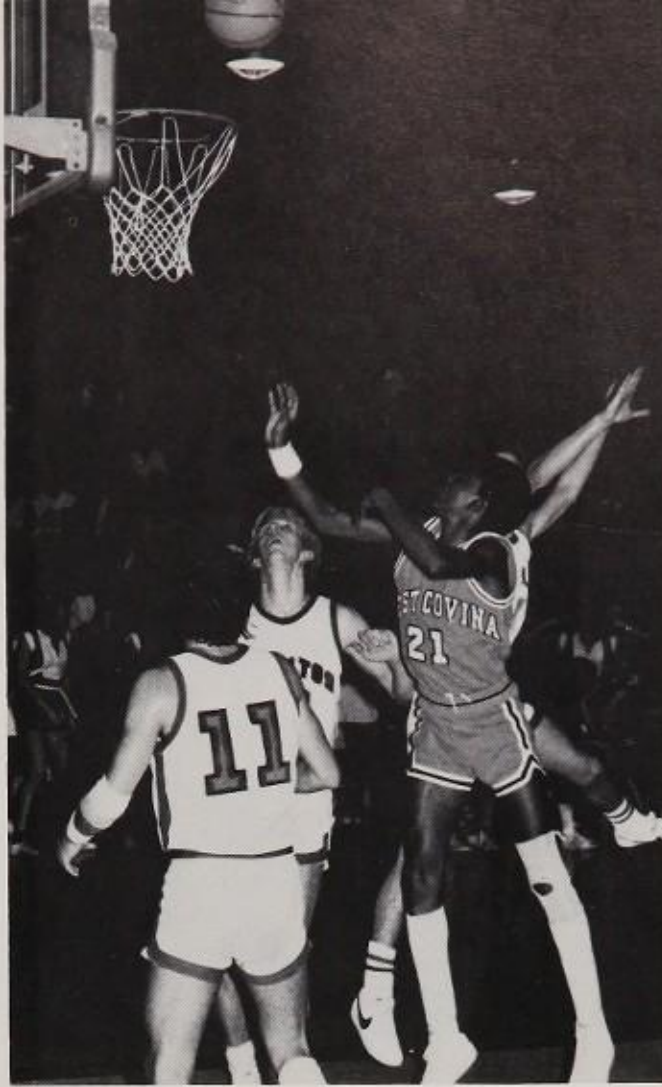

As the season progressed, a lot of talent stood out. Some of this talent belonged to Tim Klena, who was a good offensive rebounder and player. Mark Hertenstein, who was also a good offensive player and rebounder contributed in clutch situations. The shooting ability of Perri Baker and Darin Boles paid off to add many points from outside. Derek Tennell was one with great ability, being the highest scorer in the league. He and Horace Miller will be sure assets to the team in coming years.

Coach Schneider did a very good job with his team and proved himself as a coach by leading his team to victory in the aforementioned games and will hopefully continue to do so throughout the remainder of the season and in the years to come.

J.V. BASKETBALL

This year, the Junior Varsity Basketball team had a lot of fine talent. Phil Kaupp helped mold a winning team. He did a good job training these young men for the rebuilding of next year's varsity team.

SOPHOMORE BASKETBALL

The Sophomore basketball team was a group of devoted men who gave it all they had so that a winning season could be theirs.

Their record might not show it, but the team had the will and desire in their hearts to become winners.

Back row: Steve Tennell, Larry Gano, Bob Aguilar, Clark Bell, Tony Luna, Mike Smith, Coach Walker. Front row: Stephan Vari Asch, Mike Wilson, Carl Guhl, Randy Hoge, Shawn Shockley, Kiilani Keeter, Phil Orr.

A season's accomplishments cannot always be determined by a team's win-loss record. Only the experience gained and the attitude in the hearts of the men who participated can tell the real truth of what these athletes got from the season. The young Freshmen team was such a group. Under the guidance of Coach Mandala the team gained more experience every day, to obtain the material that makes winners.

The 1979-80 varsity wrestling squad had a promising season this year finishing with a 3-5 record, but having five Spartans place in the Sierra League finals. Jeff Gibas came away from the finals with a first place medal in his 148 lbs. class. The other Spartans were Larry Gonzales with a second place finish; Russ Rhome, Brian Carrasco, and Roger Chatfield all with third place finishes. This season gave the young wrestlers a lot of experience to better themselves in future meets.

This year's wrestling meets proved very valuable to the JV wrestling team. The experience that was gained in the dual meets will help the wrestlers in the years to come. With a 3-4 record on the year the team, led by standouts Jim Smiles and Steve Creech, will continue to excel.

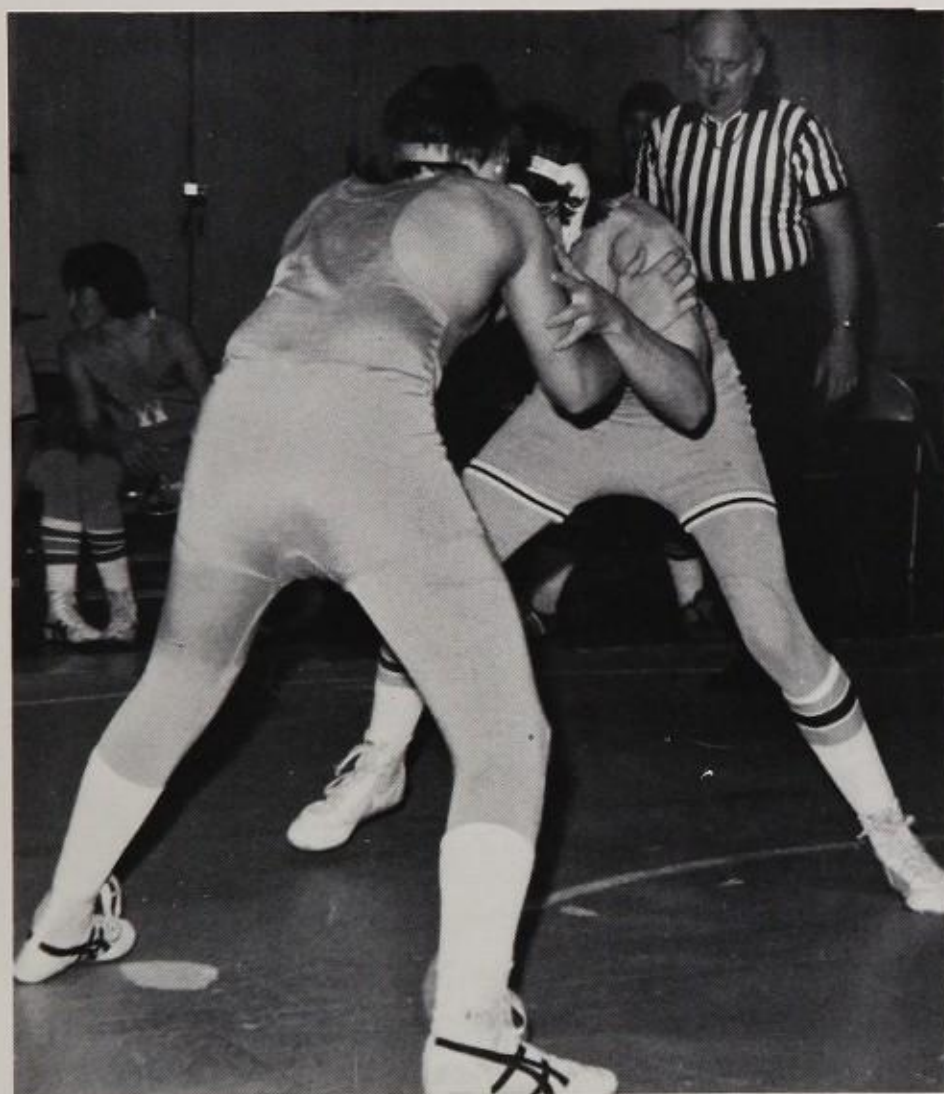

Frosh. Soph. Wrestling

This year has mainly been a training year for the Frosh - Soph wrestling team. Even though they gave it their all, handicaps such as shortage of men and minimal public support kept them from a winning season.

They deserve a lot of credit for their perseverance and dedication. Outstanding performances were turned in by Steve Manzani and Albert Marin.

VARSITY SWIMMING

Coach: Gautreau

The WCHS Boys' varsity swim team looks forward to its best season yet in 1980. The team is undefeated, and four seniors are unbeaten in individual competition. The team is led by captains Bruce Bowen, Rob Fleck, and Pete Lund, and seniors Budd Baldwin and John Schultz, all of whom are quite close already to qualifying for further CIF competition. The Spartans have an excellent chance to beat Los Altos, who kept WC from a league championship the past three years. The squad is coached by Bob Mount and Mike Gautreau. The Spartans would really like to bring home the league championship for Coach Mount this year.

Captains-Dan Cannon and Mike Zahn

The Spartan Varsity Baseball team entered 1980 with high expectations. As defending Sierra League Champions, they knew that everyone would be aiming for them. Larry Gilmore and Captain Mike Zahn, both three year lettermen, led the offense. Tim Klena, Brian Coburn, Wade Trudeau, and Dan Cannon formed a solid nucleus of veterans. Phil Guhl and Ed Robusto gave the Spartans a solid proven battery. Outstanding newcomers included infielders Dave Johnson and Eric Lopez; outfielders, Robert George, Steve Hall, Jeff Miller and Steve Smith; pitchers, Rocky Cole, Ben Carrillo and Steve Blackwill. With their depth and experience, another league title and a trip to the "Big A" was a very real dream.

J.V. BASEBALL

This year's JV baseball team is taking aim at a Sierra League Championship. Led by returning juniors Dave Powell, Jeff Willson, Tim Shoemaker and Gary Marini. The Spartans should have the best balanced team in years. The pitching will be anchored by knuckle-ball artist Tim Shoemaker. The infield will include such standouts as Tom Logan and Brian Deckard. While the outfielders will be led by Mike Tognetti and Clark Bell.

TENNIS

The 1979 girl's tennis season was one of improvement and frustration. Number one varsity singles player Jill Gauthier received the honor of making second team all-CIF, but yet the team lost all fifteen matches.

A number of factors led to this disappointing record. First of all, being in the 3-A division is a challenge in itself, especially for WC's girl's sports. This year the Sierra League produced some of the toughest tennis competition ever in the school's history. While most of WC's competitors were teams of junior and senior girls with experience, the WCHS varsity team consisted of only four seniors, one junior, and five underclassmen.

West Covina was not a total failure. They tied three matches, losing by a mere two or three points. While playing every school three different times, the team increased total earned points with each succeeding match. Coach Pam Wells is looking forward to 1980 with only four seniors gone and a group of experienced lettermen.

VOLLEYBALL

The 1979 volleyball team was one of building and maturing. Both Varsity and Junior Varsity were relatively young teams. The Varsity team consisted of one senior, four juniors, and five sophomores. The J.V. team had one senior, eight sophomores, and three freshmen.

Winning the Sierra League was out-of-reach for the two teams because both lacked the experience needed. The squads were up against newer and larger schools in the league, which made the chance of winning the championship a monumental challenge.

Three of Varsity's four returning lettermen were last year's bench warmers, and the other members were new to the team this year. Coach Staggs stated, "our objective this year was to play good fundamental ball, and to play it consistently, while working as a team unit."

Although volleyball's league record shows no wins, they were successful in that they all improved and played better volleyball by the end of the season.

SPECIAL EVENTS

The construction company, Driver Eddy, completed the building in April, however, it was not refurnished or inhabited until the end of June. Therefore, next year, remaining Spartans can look forward to returning to school in September with a new administration building.

We Remember

Martha Schneidewind

We will remember Mrs. Martha Schneidewind for her creativity, use of analogies, and involvement in and out of class.

Mrs. Schneidewind joined the West Covina High School faculty in 1963 as a member of the English department. She has taught a wide variety of English classes and was for several years the advisor of the SPARTAN SHIELD which she brought up to a standard of excellence. Since then she has helped in the creation of many new English courses.

When she leaves West Covina High School, Mrs. Schneidewind plans to continue traveling, which she has enjoyed for a long time. So far she has traveled to many places, including Mexico and England. This summer she plans to visit the Orient.

Mrs. Schneidewind also plans to catch up on rest and spend a lot of time with her grandson.

West Covina High School will long remember Mrs. Martha Schneidewind.

Will mber

Robert Deckard

We will remember Dr. Robert Deckard for his sense of humor, style of teaching, and deep interest in students.

1964 was Dr. Deckard's first year as a Spartan. In the years since then he has taught history, physical education, and psychology. For fourteen years he coached the varsity baseball team reaching the finals ten of those fourteen years.

Away from West Covina High School, Dr. Deckard is deeply devoted to his family.

Dr. Deckard's time is also spent participating in sports such as tennis and golf. He has traveled many times to Mexico, often taking along students for historical and archeological study.

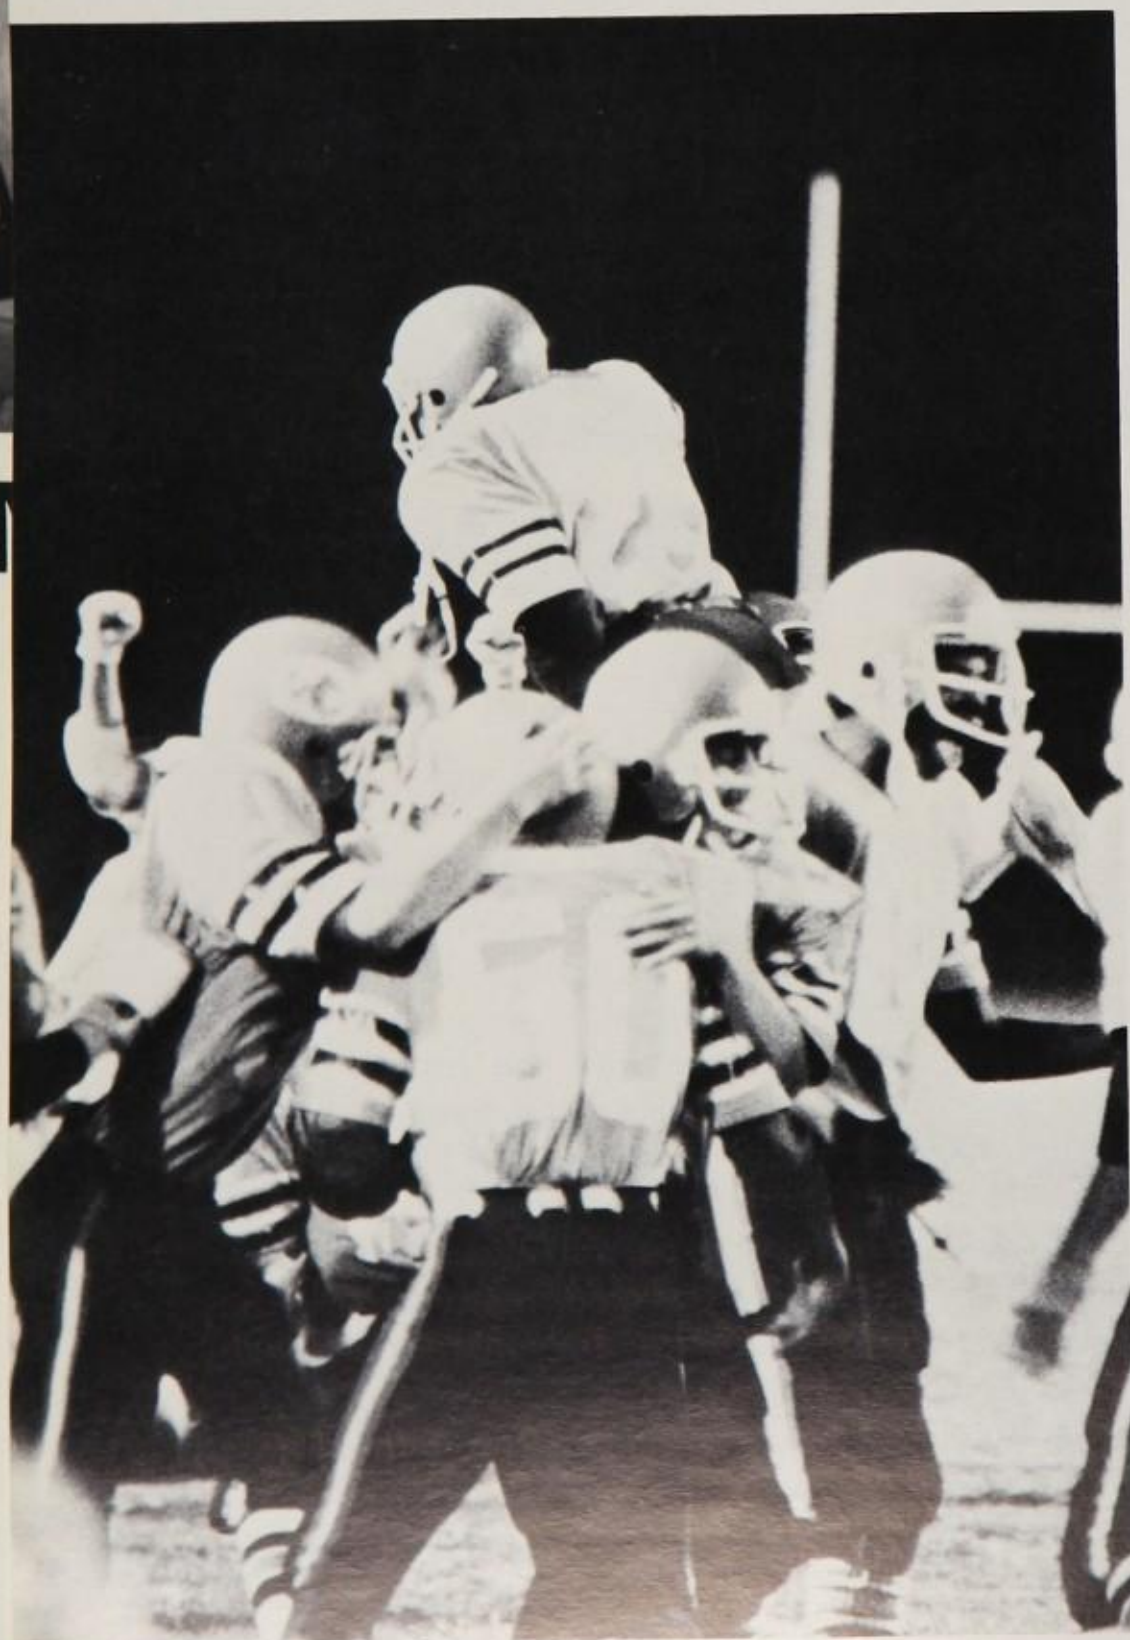

When Mr. Deckard leaves West Covina High School he plans to expand outside opportunities.

West Covina High School will long remember Dr. Robert Deckard.

Spartans enjoy the night life

Spartan fun and excitement didn't end with the final buzzer at the athletic events of the last dance for the evening. Many enthusiastic supporters could be found grabbing a bite to eat at the local hangouts. This year, Bob's Big Boy proved to be the most popular among the students. Lord Byron's Pizza Pub, however, also attracted a fairly large crowd.

Still a few others, tired out by the day's activities, preferred to go home and crash.

We're very proud of the students at WCHS who have displayed their blue pride and achieved honor and recognition for our school.

Two standouts for the Debate team were Gary Frischling and John Polich. As a team, they took first place at the La Canada League Tournament. This entitled them to compete at the League Finals at San Jose State University in April.

At the Drama Teachers Association of Southern California Festival, several of our drama students received honors and awards. Steve Boggs, Joe Rivero, Teri Smith and Stacy Williams were semi-finalists in the category of Improvisation. Michelle Gorelick also competed with a dramatic monologue.

The whole cheerleading squad was triumphant at the United Spirit Association camp. In their individual competitions, the Varsity and JV songleaders captured second and third places, respectively. The Varsity, JV, and Bee cheerleading squads received Superiors in four separate categories. As a whole, the WCHS pep squad won the ground sign category along with the spirit stick.

Competing in Class B, the band received many first place awards. They proved victorious when they marched in the West Arcadia, Chino, and Mission Viejo Band Reviews. At the SCSBOA festival a Superior rating was earned. In the spring, the WCHS band competed in the Tracy Band Review.

Not to be forgotten are our athletic triumphs. Our varsity football team did well, obtaining a berth in the CIF playoffs. The JV basketball team placed as Sierra League Co-Champs while the varsity team won the Sierra League Championship. The team went on to win their first CIF game.

While there are many other winners at WCHS, these awards highlighted the year and brought much recognition to our school.

HE DOES HIS DUTY

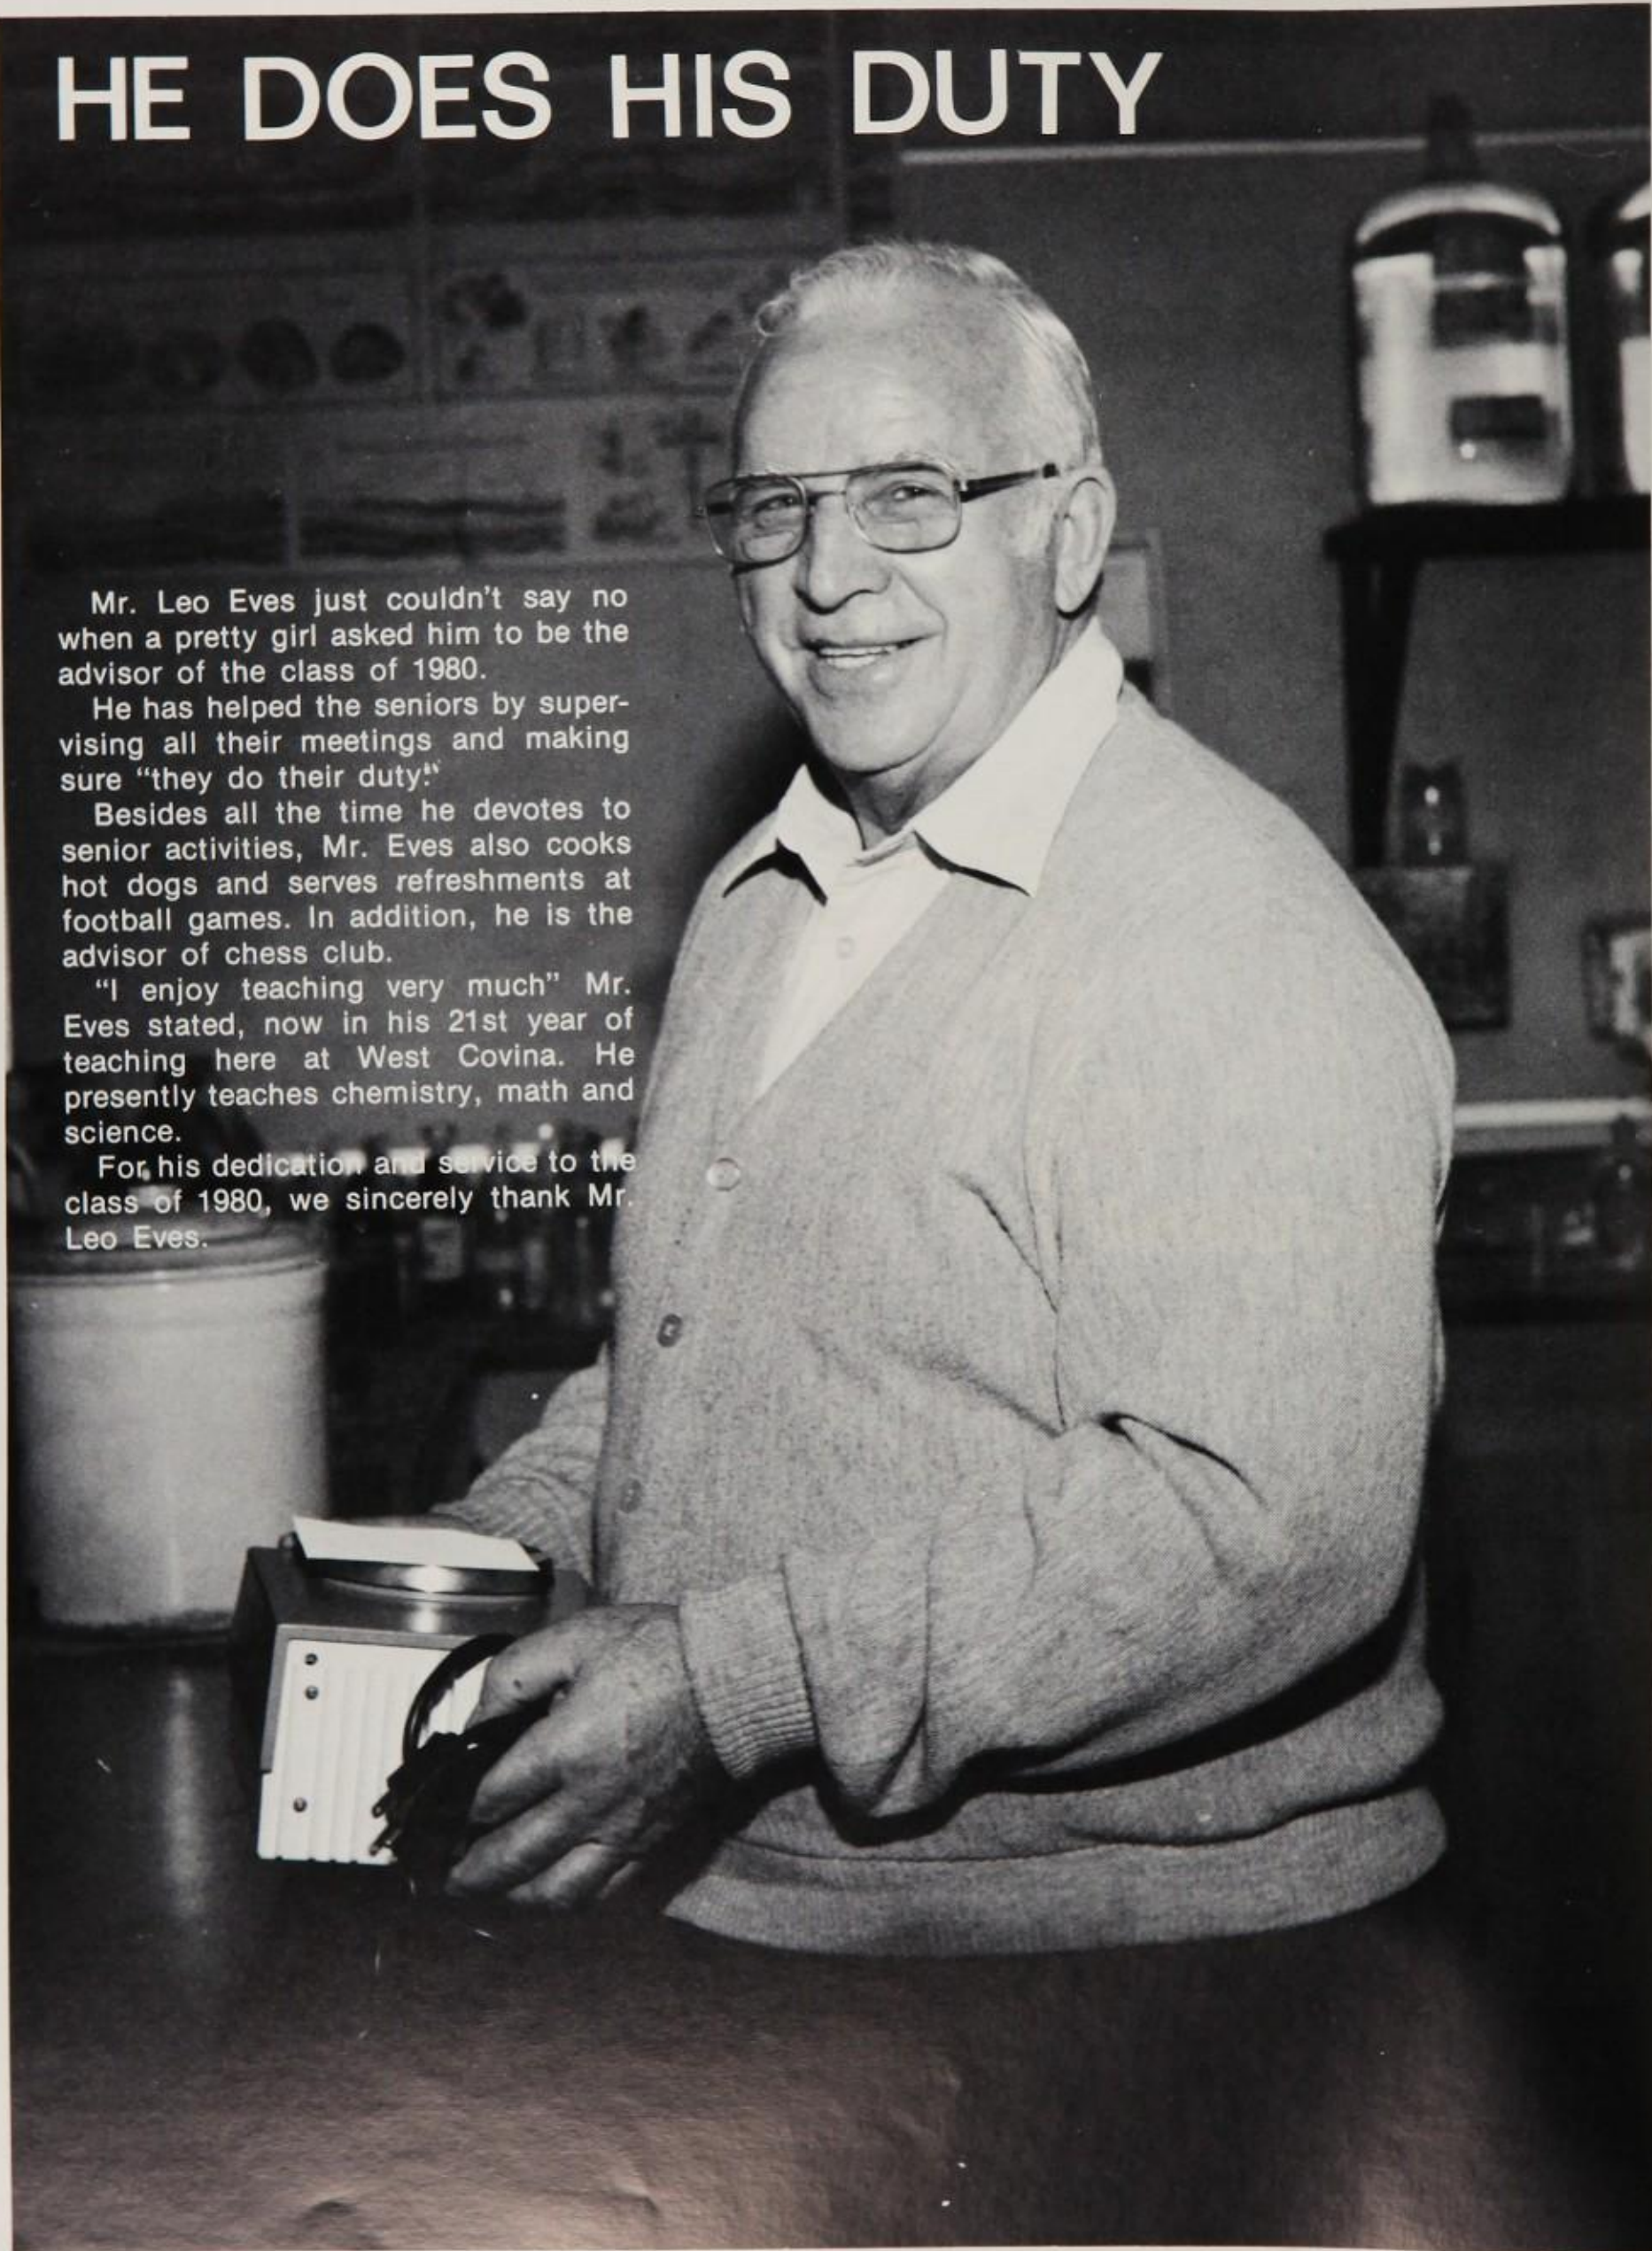

Mr. Leo Eves just couldn't say no when a pretty girl asked him to be the advisor of the class of 1980.

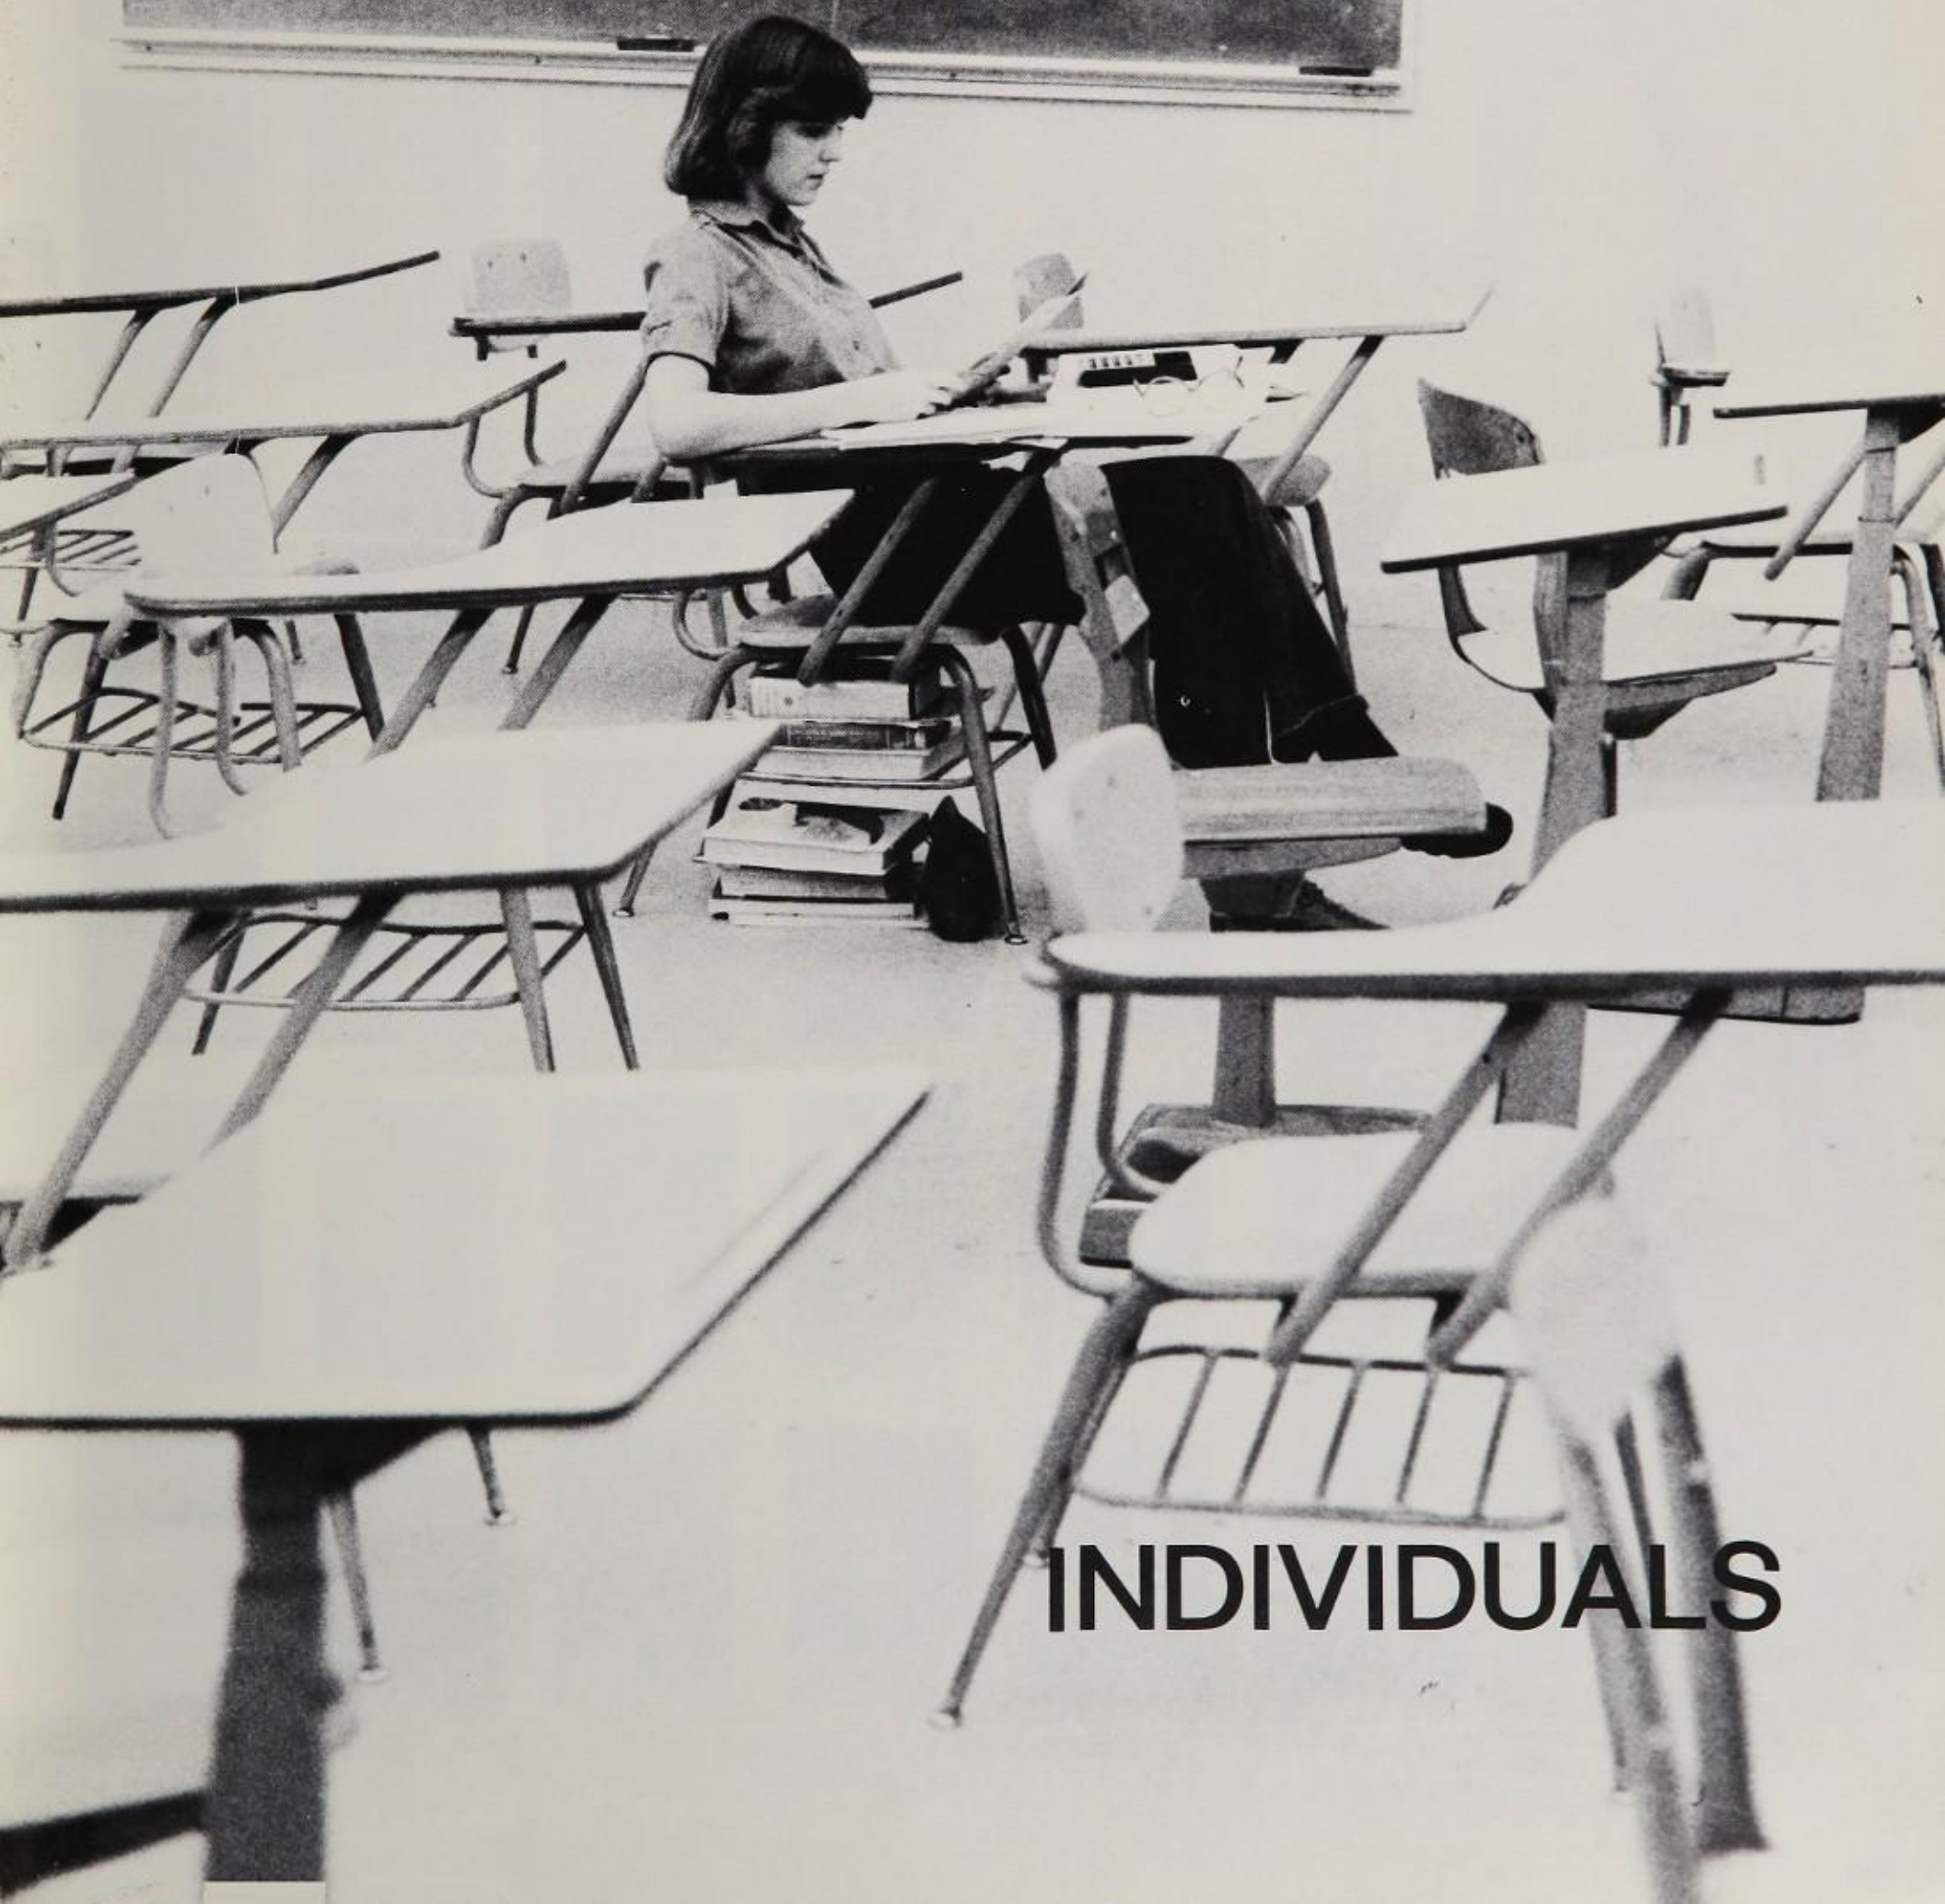

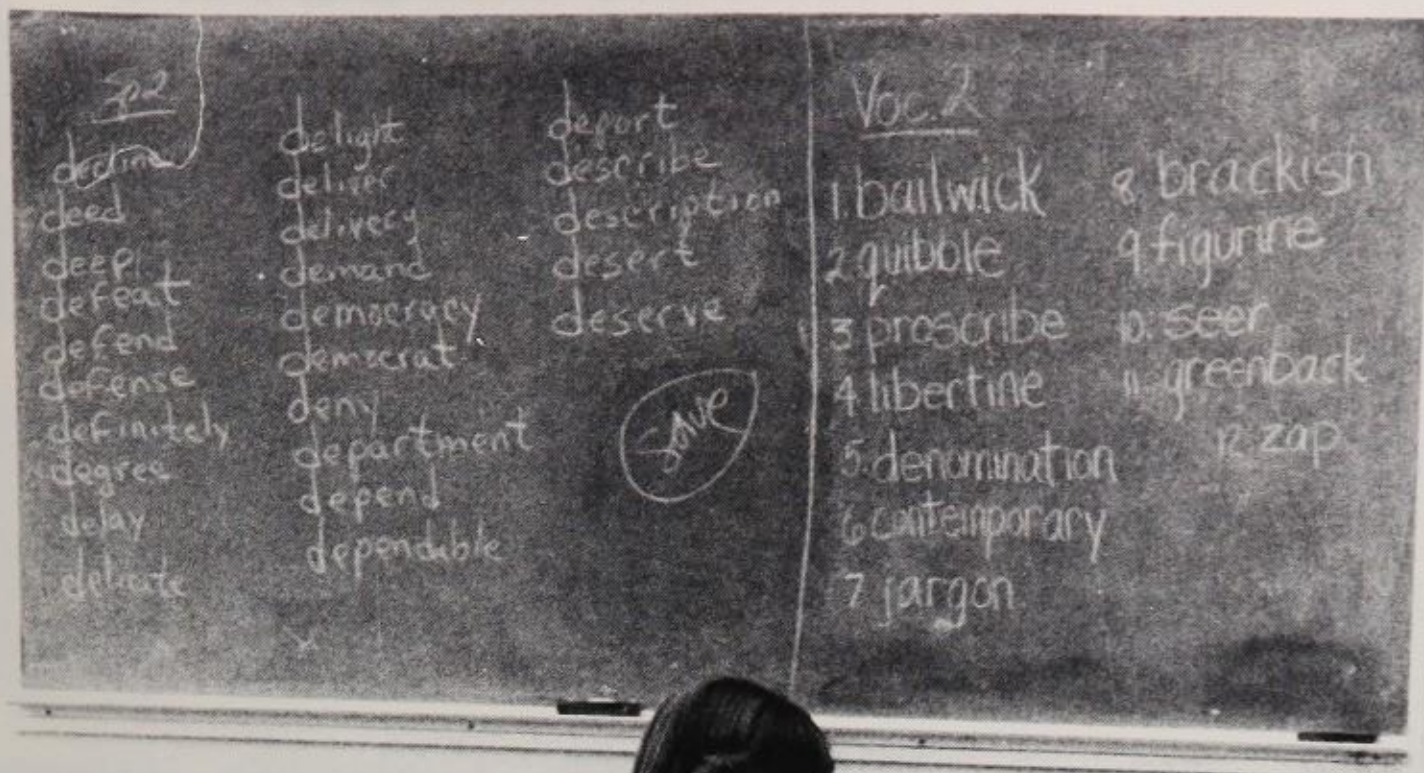

He has helped the seniors by supervising all their meetings and making sure "they do their duty."

Besides all the time he devotes to senior activities, Mr. Eves also cooks hot dogs and serves refreshments at football games. In addition, he is the advisor of chess club.

"I enjoy teaching very much" Mr. Eves stated, now in his 21st year of teaching here at West Covina. He presently teaches chemistry, math and science.

For his dedication and service to the class of 1980, we sincerely thank Mr. Leo Eves.

Our Associated Student Body staff is very important to the students of our school. Mr. Larry Thorne, Director of Student Activities, works very hard with the leadership class, trophy makers, and helps plan activities for the school.

Mrs. Aldridge, secretary of ASB, is responsible for the bulletin, keeping the master schedule straight, and helping with financial matters.

Mrs. Bradley, Manager of the Student Store, also works with football, basketball, and wrestling concessions. She shares the book-keeping responsibilities with Mrs. Aldridge.

RICHARD BLOOMER

The counselor believes that most students, given the experience of an accepting nonevaluating relationship, will make intelligent decisions.

Although personal counseling is a major function of the guidance staff, other responsibilities and involvements include, but are not limited to, staff consultation, parental assistance, student self-appraisal, education--vocational information and planning, referral to allied community agencies, and public relations.

Guidance is a function of every member of the staff, but the responsibility for leadership is one of the primary functions of the school counselor.

Mr. John Catalano, Principal

The class of 1980. That has a nice sound to it. Your 25th class reunion will take place in the year 2005. 2005 sounds very futuristic. I wonder what kind of world we will have? Will it be a caring or a materialistic world? Will people be more tolerant of each other? What will the geography of the world be like?

Believe it or not, you can have an effect on our future world. All you have to do is sincerely care. People who care actively participate in every day events. With enough caring people, your 25th class reunion should be a very happy occasion.

J. Catalano

MR. GLEN BUCKINGHAM

In addition to Mr. Catalano, there are three other administrators: Mr. Glen Buckingham, Miss Barbara Buch, and Mr. Jon Sweat.

Mr. Buckingham is concerned with discipline, extracurricular activities, supervision assignments, athletics, and use of the football field.

Miss Buch's areas of special interest include the media center, cafeteria, special education department, special pro-

grams for faculty development, and the student teacher program.

Mr. Sweat's responsibilities include supervision and accounting of student attendance, attendance discipline, on campus supervision, also, all new students and all checkouts go through his office.

The work of these three people is very important. If it weren't for them, and Mr. Catalano, our school could not operate.

Thanks for the memories...

Being Assistant Editor of the 1980 Lycurgeon has been an honor I will never forget. I will always cherish the wonderful times spent with everyone of staff (like the mountain excursion with Jamie and Jack). I am very proud of this year's staff and Shaaaaron Baby, and will value their friendship always. Many long hours went into this yearbook and it is my hope that you will find lasting memories for years to come. There will only be one class of 1980, just as "There is only one of you."

Love,
Kerrie

Love,
Cathi

On September 11, I came to school and faced the new yearbook staff with a zillion and a half new ideas. Some of my far-out plans got shot down while others were readily accepted. Combining the old ideas of the 70's and the new for the 80's, the staff has produced this excellent yearbook.

Now don't get me wrong--yearbooks don't just appear with the combination of ideas, it takes a lot of hard work and dedication. I want to thank Miss Barath and this year's staff for their ideas, creativity and willingness to work.

There's always one in every crowd who goes out of her way to do the best possible job. I feel Julie Harstad deserves a special vote of thanks because she was always there trying to do the impossible.

Choosing Cathi as my assistant is one decision I'll never regret. Aside from being my official glueballer, she has proved to be a loyal co-worker and a terrific friend.

If you feel we have captured the true spirit WCHS is so proud to display, this book is a success.

Andrea,

I know we haven't been to good of friends this year but I think it's going through a change. Don't ask why it split up because I don't really know myself. Remember that guy named Dave Agpilla that Cynthia, you & I meet a while back well he's in my 6th period and is a real nice person. When we first met him we thought he was a real ass, but I guess he has changed. If you go to Hawaii this summer look for me and I'll look for you. OK? I'm going over there about July-August. I don't know exactly when yet. Well I hope I get you in some of my classes next year and all the old gang as well. Well, you and Myrna are going to have to help me recruit Deanna. That's going to be a blast. Well I better sign off and do some work HAHHA Me do work!
